CLINICAL AND MEDICAL CASE REPORTS

December 03-04,2018 | Dubai, UAE

Improving the Healthcare system by focusing on breakthrough of Clinical and Medical Case Reports

https://www.meetingsint.com/conferences/clinicalcasereports

Invitation

Meetings International proudly announces the ***International Conference on Clinical and Medical Case Reports schedule during December 03-04,2018 in Dubai, UAE***. The conference emphasizes the theme "***Improving the Healthcare system by focusing the breakthroughs of Clinical and Medical Case Reports***".

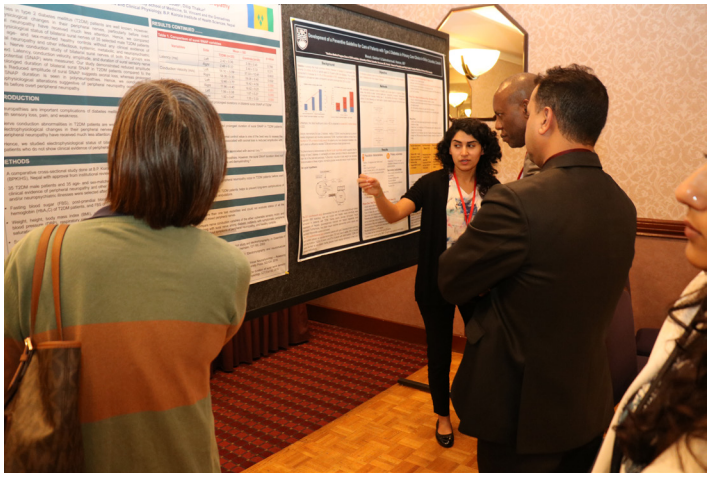

Meetings International provides an international dais for scientists, designers, practitioner's, architects and understudies to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The essential goal of this gathering is to advance research and formative exercises in Lasers, Optics and Photonics. It is a perfect stage for individuals to share their perspectives and encounters in the related ranges.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

- Case Reports on Surgery
- Case Report for Diabetics

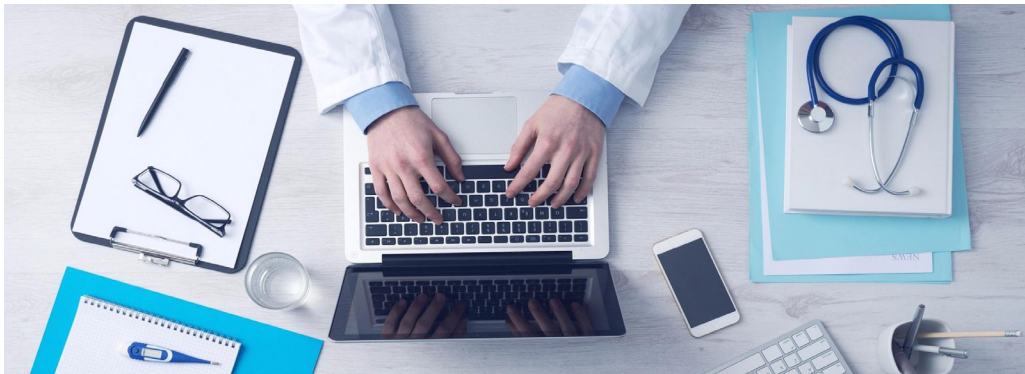

Meetings Int. offers

An unique platform for top level research and innovation

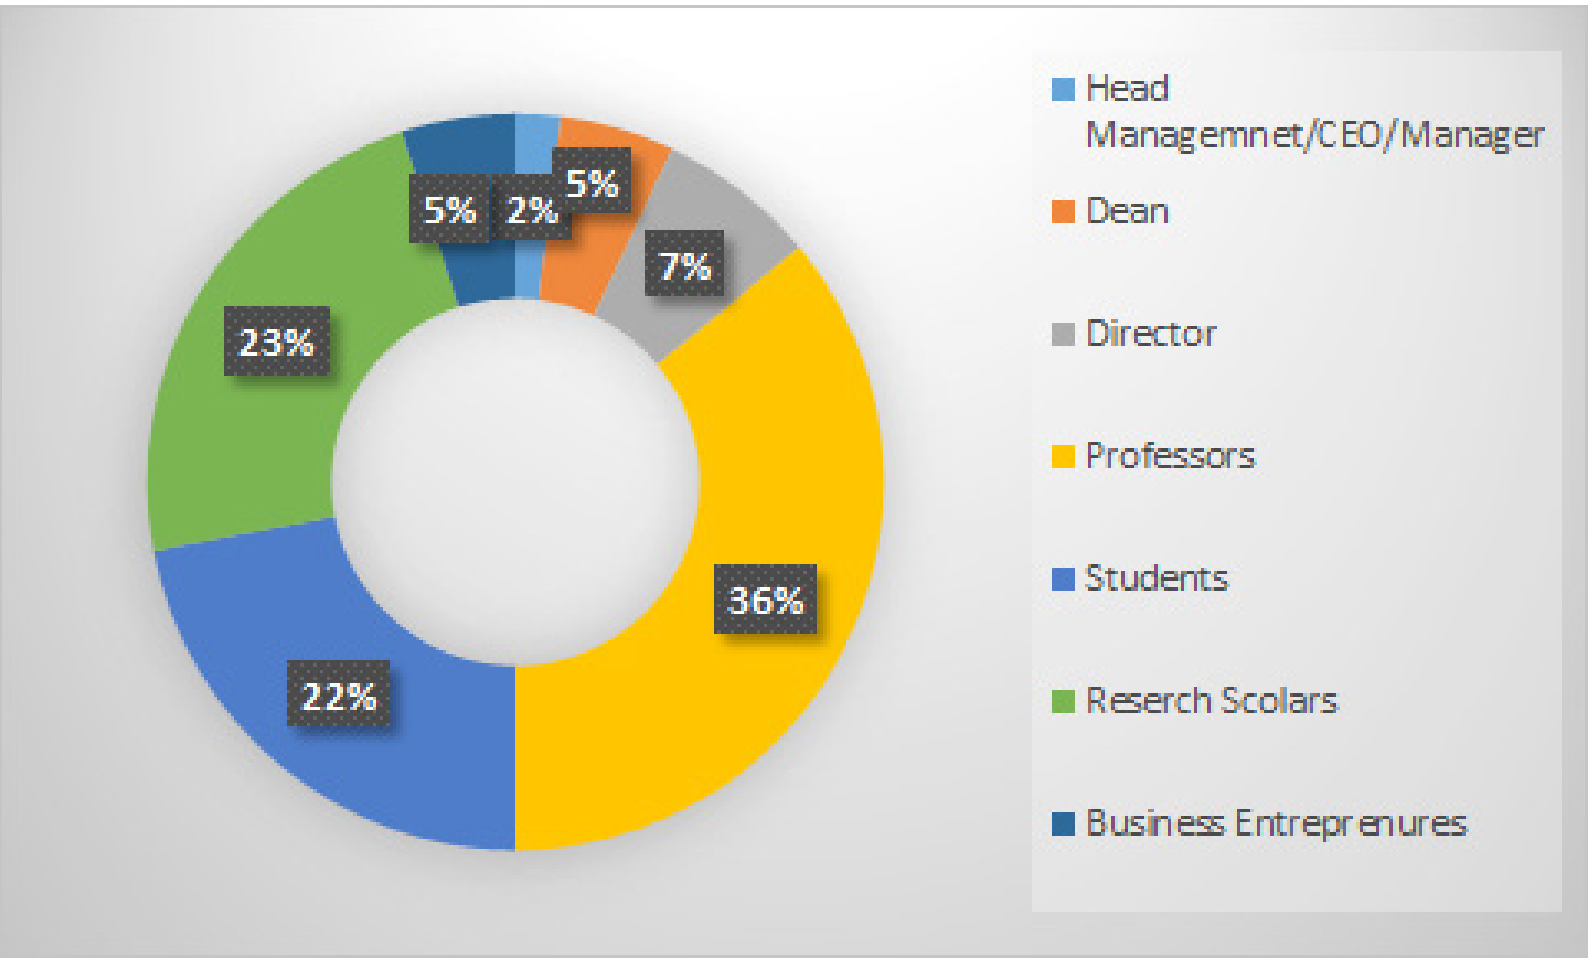

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Dubai

Some 800 members of the Bani Yas tribe, led by the Maktoum Family, settled at the mouth of the creek in 1833. The creek was a natural harbor and Dubai soon became a center for the fishing, pearling and sea trade.Since the 1960s, Sheikh Zayed bin Sultan Al Nahyan, then ruler of Abu Dhabi, and Sheikh Rashid bin Saeed Al Maktoum had dreamed of creating a federation of the Emirates in the region. Their dreams were realized in 1971 when Dubai, Abu Dhabi, Sharjah, Ajman, Umm Al Quwain, Fujairah and (in 1972) Ras Al Khaimah, joined to create the United Arab Emirates.

Dubai also hosts major international sporting events. The Dubai Desert Classic is a major stop on the Professional Golf Association tour. The Dubai Open, an ATP tennis tournament, and the Dubai World Cup, the world's richest horse race, draw thousands every year.
