Quality research

Explore Berlin

Berlin is the capital and the largest city of Germany as well as one of its 16 constituent states. Berlin is influenced by a temperate seasonal climate. Around one-third of the city's area is composed of forests, parks, gardens, rivers, canals and lakes. Berlin is the second most populous city proper in the European Union. Modern Berlin is home to world-renowned universities, orchestras, museums, and entertainment venues, and is host to many sporting events. The city is well known for its festivals, diverse architecture, nightlife, contemporary arts and a high quality of living.

Berlin is recognized as a world city of culture and creative industries. Numerous cultural institutions, many of which enjoy international reputation are representing the diverse heritage of the city. Many young people, cultural entrepreneurs and international artists continue to settle in the city. Berlin has established itself as a popular entertainment center in Europe.
