About London

London is the focal point of the world – and a world in one city, with an abundance of various societies and groups over the capital. It has in excess of 300 dialects and cooking from more than 70 nations. London's history extends back more than a large number of years, and the city gloats four World Heritage Sites: the Palace of Westminster and Westminster Abbey, the Tower of London, Maritime Greenwich and the Royal Botanic Gardens, Kew. There are in excess of 6,000 eateries in London so you'll never be shy of new places to eat. London gloats 55 Michelin Star eateries and numerous superstar gourmet experts are based here, and there are a lot of good, less expensive choices as well. As indicated by the Globe Shopper City Index, London is Europe's best shopping goal. Regardless of whether you make a beeline for the West End, Westfield London or an idiosyncratic .
