

EuroSciCon

10th Annual Conference on

Clinical Research & Biomarkers

January 29-30, 2020
Sydney, Australia

Theme:
Biomarkers-Life line for the future generation

EuroSciCon

Clinical Research

2020

Invitation

Welcome to Sydney, the city of arts and science, and experience the science of clinical research illuminated like never before. EuroSciCon is proud to host the 10th Annual Conference on Clinical Research & Biomarkers, January 29-30, 2020 in Sydney, Australia. Theme of the conference focuses on Biomarkers-Life line for the future generation. Clinical Research 2020 will provide an unprecedented opportunity for experts of all stripes and colors to share their research with colleagues by discussing the latest advances in the field. We invite directors, presidents & CEO's from companies, chemists, academic groups, directors from all fields. Laboratory scientists who identifies, quantifies, analyzes or tests the chemical or biological properties of compounds or molecules or who manages these laboratory scientists. Clinical researcher, molecular diagnostics, clinical laboratories, health care industry, quantitative analysts, qualitative analysts, editorial board members, students, faculty members. Clinical instrument vendors, professors and students from academia in the field of Clinical Research & Biomarkers. Delegates from various pharma & instrumental companies from all over the world. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Clinical Research & Biomarkers Conference is the perfect venue not only to dive into your clinical interests but also to expand the scope of your knowledge. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant analytical forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges

January 29-30, 2020
Sydney, Australia

EuroSciCon

Clinical Research

2020

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Clinical researchers and drug analysts accessing the website, Clinical Research 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our speakers and committee members fuelling better outreach of the work and profile.

Clinical Research 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

January 29-30, 2020
Sydney, Australia

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Clinical Research

2020

Who'd be attending?

Biomarkers & Clinical Research 2020 Conference brings together the specialists from all the aspects to meet and discuss the future of Clinical Research and Importance of Biomarkers in today's world to thrive and survive with a better health. The conference will bring together Directors, Doctors, Director of Laboratories, Universities, Industries, Delegates, Clinical Research specialists, Investigators, Post-Doctoral Fellows, Research and Diagnostic Laboratories, Clinical Fellows, Students, Biomedical Research companies, CRO's, Healthcare Institutions, Market Research and Consulting Firms, Pharmaceutical Companies, Medical device specialist and all the interested participants willing to enhance and update the knowledge on Biomarkers and Clinical Research.

Scientific Tracks :

- Biomarkers & Research
- Role of Biomarkers in Translational Science
- Precision Medicine & Clinical Diagnostics
- Biomarker Assay Validation & Patient Stratification
- Biomarker Clinical Trials & Developments
- Biomarker Development - Omics Technologies
- Biomarkers for non-invasive diagnostics
- Biomarkers in Drug Discovery
- Biomarkers for Cancer Screenings
- Types of cancer biomarkers
- Uses of biomarkers in various areas
- Circulating Biomarker Classes
- Biomarkers development in Therapeutic Areas
- Innovations in Biomarkers Research
- Extracellular Vesicle-based Biomarkers
- Research Tools
- Types of Biomarkers in Cancer Detection
- Case studies
- Exploring, identifying & validating new biomarkers
- CRO & Sponsorship
- Careers in Clinical Research
- Pharmacovigilance & Drug Safety

EuroSciCon

Academic Keytopics :

- Clinical Biochemistry
- Clinical Chemistry
- Clinical Genomics & Molecular Biology
- Clinical Pathology
- Clinical Research
- Clinical Studies
- Clinical Trials
- Drug Monitoring & Analysis
- Evaluation of Diagnostic Biomarkers
- Molecular Diagnostics
- New Reagents, Instrumentation & Technologies
- Biomarkers and New Therapeutic Strategies
- Biomarkers for Diabetes
- Data Mining Methods
- Diagnosis and Intervention
- Ethical, Regulatory and Legal Issues
- GCP & GMP
- Good Clinical Practice
- Molecular Biomarkers
- Neurological Biomarkers
- Tools for CDM
- Vaccine and Drug Development
- Value of ethics in Clinical Research

January 29-30, 2020
Sydney, Australia

Business Keytopics :

- BD tactics for CRO
- Cancer Screening
- Careers in Clinical Research
- CDM
- Clinical Diagnostics
- Clinical Research Sponsors
- Clinical Therapeutics
- Clinical trials
- CRM's
- CRO's
- Drug discovery & development
- Healthcare Institutes
- New Generation tools & techniques
- Quality regulation

About Destination Sydney

Sydney, capital of New South Wales and one of Australia's largest cities, is best known for its harbourfront Sydney Opera House, with a distinctive sail-like design. Massive Darling Harbour and the smaller Circular Quay port are hubs of waterside life, with the arched Harbour Bridge and esteemed Royal Botanic Garden nearby. Sydney Tower's outdoor platform, the Skywalk, offers 360-degree views of the city and suburbs.
