Build castles in the air to land at City of Dreams Prague, to explore Clinical Research & Biomarkers 2018

Czech Republic "The Land of Stories" and its capital Prague in particular has evolved as one of Europe's most popular travel destinations. Prague is a modern and vibrant city full of energy. It offers an intact medieval core that transports you back 500 years. The 14th century Charles Bridge, traversing two historic neighbourhoods, is one of the continent's most beautiful sights. Prague Castle, looming above the Vltava's left bank, its serried ranks of spires, towers and palaces dominate the city centre like a fairy-tale fortress. Within the walls lies a fascinating and varied collection of historic buildings, museums and galleries that are home to Czech Republic's greatest artistic and cultural treasures. It's the largest ancient castle in the world covering a total area bigger than seven football fields. The Old Town Astronomical Clock, Orloj is the best preserved medieval astronomical clock in the world. The city is not just about history, it's a vital urban centre with a rich array of cultural offerings. Outside the capital, castles and palaces abound it also include the audacious hilltop chateau at Cesky Krumlov- which illuminate the stories of powerful dynasties whose influence was felt throughout Europe. One of the most beautiful corners of the Czech Republic is in Eastern Bohemia: the spectacular Bohemian Paradise. This area of outstanding natural beauty is notable for its massive rock formations that stick up out of the ground like so many giants, seemingly unsupported and also defying all laws of physics. With varied travel destinations within country limits Czech Republic is the best travel destination.

EXPLORE THIS EMBODIMENT TOURIST HERITAGE
