Clinical Research

February 23-24, 2021| Paris, France

https://www.meetingsint.com/conferences/clinicalresearch

Invitation

Dear Attendees,

Meetings International proudly announces the *International conference on Clinical Research* scheduled during *February 23-24, 2022 in Paris, France*.

The conference emphasizes the theme "Exploring latest innovations of therapeutics and clinical risk management".

The Clinical Research 2022 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. It will give an overall stage to look at about the present and future troubles in Surgery guidance, continuing with preparing, medicinal strategy, and center around points. With huge delight, Surgeries and Education alongside the Organizing Committee Members welcome every one of the members from all over the globe to attend the conference. It provides a great opportunity for establishing strong relations between the Surgeons, the general public, and government so that they can work together to achieve healthier mouths and happier lives. Clinical Research 2022 focuses mainly on Exploring latest innovations of therapeutics and clinical risk management. Clinical Research 2022 conference operation committee is providing a platform for all the budding young researchers, young investigators, postgraduate/ Master students, PhD. students and trainees to showcase their research and innovation.

Sincerely,
Operating Committee

To identify the future directions of research

Peer review and high quality publication

Quality research

Paris Attractions

Explore Paris

Paris received 38 million visitors in 2019, measured by hotel stays, with the largest numbers of foreign visitors coming from the Unit- ed States, the United Kingdom, Germany and China. It was ranked as the second most visited travel destination in the world in 2019, after Bangkok and just ahead of London. The football club Paris Saint-Germain and the rugby union club Stade Francois are based in Paris. The 80,000-seat Stade de France, built for the 1998 FIFA World Cup, is located just north of Paris in the neighboring com- mune of Saint-Denis. Paris hosts the annual French Open Grand Slam tennis tournament on the red clay of Roland Garros. The city hosted the Olympic Games in 1900, 1924 and will host the 2024 Summer Olympics. The 1938 and 1998 FIFA World Cups, the 2007 Rugby World Cup, as well as the 1960, 1984 and 2016 UEFA European Championships were also held in the city. Every July, the Tour de France bicycle race finishes on the Avenue des Champs- Elysees in Paris. Paris grew in population from about 400,000 in 1640 to 650,000 in 1780. A new boulevard, the Champs-Élysées, extended the city west to Etoile.
