ABOUT AMSTERDAM

Amsterdam's canal-woven core is laced by atmospheric narrow lanes. You never know what you'll find: a tiny hidden garden; a boutique selling witty, stylised Dutch-designed homewares and fashion; a jewel-box-like jenever (Dutch gin) distillery; a flower stall filled with tulips in a rainbow of hues; an old monastery-turned-classical-music-venue; an ultra-niche restaurant such as an avocado or strawberry specialist or one reinventing age-old Dutch classics.

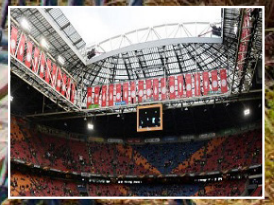

Fringing the centre, post-industrial buildings in up-and-coming neighbourhoods now house creative enterprises, from art galleries to craft breweries and cutting-edge tech start-ups, as well as some of Europe's hottest clubs.

When the temperatures soar in Amsterdam, sun-seekers flock to the Dutch coast and the beaches at Bloemendaal and Zandvoort to bask on the sands and soak up the vibrant nightlife.
