9th EuroSciCon Conference on

Microbiology and Virology

Theme:

Highlighting latest advancements in Microbiology and Virology for better and healthier life

EuroSciCon

Microbiology and Virology

2019

Invitation

Euroscicon is proud to host the a conference on Microbiology and Virology (Microbiology and Virology-2019) taking place on April 22-23, 2019 Athens, Greece. The conference is themed around "Highlighting latest advancements in Microbiology and Virology for better and healthier life" with the aim to bring together a wide audience of industry, healthcare, research, and medical practitioners to educate and bring about a fruitful debate on the confined topics.

The Microbiology and Virology 2019 will be a great event to network, learn and engage with professionals in the field of infectious diseases, virology and microbiology.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now is to convert the extensive program on paper to an active and a vibrant forum in person through your active participation.

Best Regards,
Organizing Committee
Microbiology and Virology Conferences 2019

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 350+ Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ virologists and microbiologists accessing the website, Microbiology and Virology 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Microbiology and Virology-2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

April 22-23, 2019
Athens, Greece

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 350+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Microbiology and Virology

2019

Who'd be attending?

EuroSciCon Conference on Microbiology and Virology plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently business analysts, medical representatives and healthcare providers.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 17 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Medical Microbiology
- Infectious Diseases
- Viruses and Diseases
- Clinical Microbiology
- Applied Microbiology
- Food Microbiology
- Industrial Applications of Microbes
- Oral Microbiology and Dental Research
- Hepatitis and Virology in Humans
- Medical Virology
- Genetics and immunology of Microbes
- Environmental and Soil Microbiology
- Viral Vaccines
- Insect Virology
- HIV and other Emerging Viruses
- Clinical and Diagnostic Virology
- Bacterial Viral Interactions
- Animal Viruses
- Pediatric Viral Diseases
- Plant and Fungal Virology
- Viral Oncology
- Current Research and Trends

EuroSciCon

See your work PUBLISHED

in one of our related journals

- Archives of Clinical Microbiology
- Journal of HIV & Retro Virus
- Journal of Infectious Diseases and Treatment
- Advanced Techniques in Clinical Microbiology
- Journal of Pharmaceutical Microbiology
