Cosmetology & Trichology

December 10-11, 2018 | Melbourne, Australia

Theme: To Allocate the new possible innovations in field of Cosmetology

http://www.meetingsint.com/surgery-conferences/cosmetology

Invitation

Meetings International proudly announces the ***International Conference on Cosmetology & Trichology*** scheduled during ***December 10-11, 2018*** in ***Melbourne, Australia***. The conference emphasizes the theme "***To Allocate the new possible innovations in field of Cosmetology***".

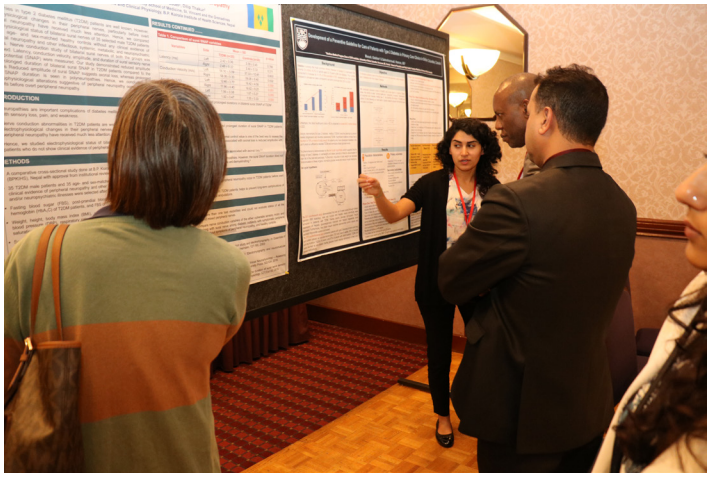

Meetings International provides an international dais for scientists and dermatology professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Cosmetology 2018 has come into spotlight in the recent years. Many of the skin diseases have become extinct due to the human activities. Thus, priorities are given for the cosmetology research to reduce the skin disease of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Meetings Int. offers

An unique platform for top level research and innovation

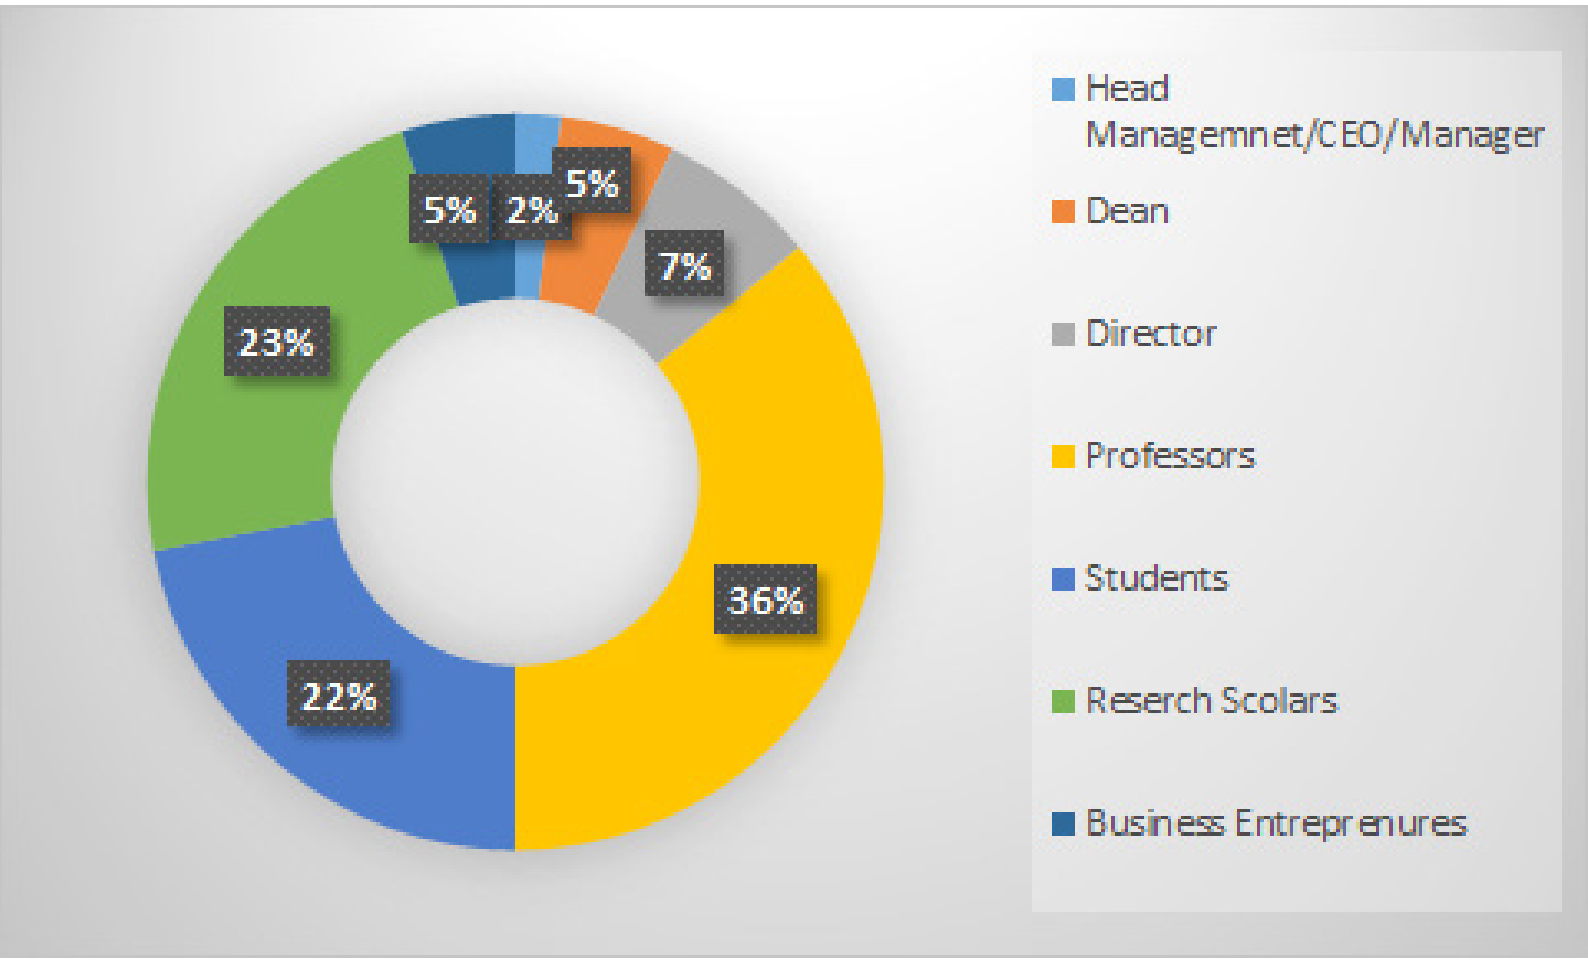

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Melbourne

Melbourne is the capital and most crowded city of the Australian condition of Victoria, and the second-most crowded city in Australia. The name “Melbourne” alludes to an urban agglomeration spreading over which includes the more extensive metropolitan region, and also being the regular name for its downtown area. The town is positioned on the massive typical cove of Port Phillip and ventures into the hinterlands towards the Dandong and Macedon mountain ranges, Morning ton Peninsula and Yarra Valley. It has a populace of 4,529,500 starting at 2015, and its occupants are called Melbournians.
