Dear Colleagues,

Meetings International proudly announces the Global Experts Meeting on "International Conference On Cosmetology & Trichology" scheduled on December 10-11, 2018, Melbourne, Australia. With a theme of "To Allocate the new possible innovations in field of Cosmetology".

Meetings International provides a Global Platform for Cosmetology Professionals, Cosmetology Practitioners, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Cosmetology 2018 aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A Cosmetology professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. NCS's are prominent and impact health care across the board, from reducing medical complications to improving patient satisfaction.

About Melbourne

Venue:

Melbourne, Australia

Melbourne is the capital and most crowded city of the Australian condition of Victoria, and the second-most crowded city in Australia. The name "Melbourne" alludes to an urban agglomeration spreading over which includes the more extensive metropolitan region, and also being the regular name for its downtown area. The town is positioned on the massive typical cove of Port Phillip and ventures into the hinterlands towards the Dandong and Macedon mountain ranges, Morning ton Peninsula and Yarra Valley. It has a populace of 4,529,500 starting at 2015, and its occupants are called Melbournians.
