http://www.meetingsint.com/conferences/dementia

Invitation

Meetings International proudly announces the ***International Conference on Dementia and Dementia Care*** scheduled during ***August 20-22, 2018 in Singapore City, Singapore***. The conference emphasizes the theme "***Reconnoitering the Challenges Concerning Dementia Research and Care***".

Meetings International provides an international dais for scientists and Neuroscience professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Nuerology has come into spotlight in the recent years. Several individuals usually at the old ages are suffering from neurological disorders like Dementia and there is no cure or treatment so far discovered to slow down the disease progression.

Thus, importance should be given on Dementia research and care.

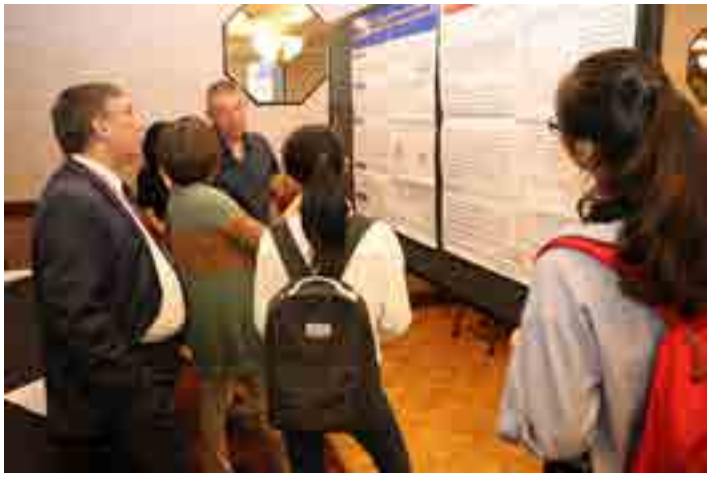

Sincerely,
Operating Committee

Explore Singapore

Singapore is the only island city state of the world. It is in the Indian Ocean off the southern tip of the Malay Peninsula. It is the most modern city in Southeast Asia. This city is a global finance, commerce as well as transportation hub. It has always been ranked highly in the fields of life expectancy, personal safety, healthcare, education etc. Within less than three decades, the nation has transformed itself into a science and technology research hub that is punching above its weight.
