About Dubai

Dubai is a city that is not afraid of ambition. Pumping billions into positioning itself as a tourist mecca and business hub, the place is an attention seeking over-achiever of sorts and undoubtedly becoming one of the most unique cities in the world. For those with an untreatable case of wanderlust, this city is a traveller's dream. Dubai has historic sights, futuristic architecture, and active night life and out-of-this-world attractions. Before the skyscrapers and luxurious automobiles, Dubai was only sand and when visiting Dubai it becomes a must thing to go on a desert safari and eat a traditional Arabic barbecue, go dune bashing, watch belly dancing and ride camels.
