11TH INTERNATIONAL CONFERENCE ON

DENTAL SCIENCE AND ADVANCED DENTISTRY

AUGUST 24-25, 2020 | BERLIN, GERMANY

Dental Science
2020

Invitation

Dental Science 2020

Dear Attendees,

Meetings International proudly announces the 11th International Conference on Dental Science and Advanced Dentistry scheduled during August 24-25, 2020 in Berlin, Germany. The conference emphasizes the theme "ADVANCED RESEARCH & FUTURE OF DENTAL SCIENCE -EDUCATION AND PRACTICE".

The Dental Science 2020 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. It will give an overall stage to look at about the present and future troubles in dental guidance, continuing with preparing, medicinal strategy, center around points. With huge delight, Dental science and Education alongside the Organizing Committee Members welcome every one of the members from all over the globe to attend the conference. It provides a great opportunity for establishing strong relations between the dental organizations, the general public, and government so that they can work together to achieve healthier mouths and happier lives. Dental Science 2020 focuses mainly on Oral Medicine, Dental Surgery, Dental Hygiene and Oral health, Cosmetic Dentistry, CAD/CAM Dentistry and Future of AI in Dentistry. Dental Science conference operation committee is providing a platform for all the budding young researchers, young investigators, post-graduate/Master students, PhD. students and trainees to showcase their research and innovation.

Sincerely,

Operating Committee

- Periodontics and Oral Hygiene
- Paediatrics Dental Science
- 3D Dentistry
- Geriatric Dentistry
- Prosthodontic dentistry
- Dental implantation
- Laser dentistry
- Radiology in dentistry

To identify the future directions of research

Peer review and high quality publication

Quality research

Head Management/CEO/Manager

Dean

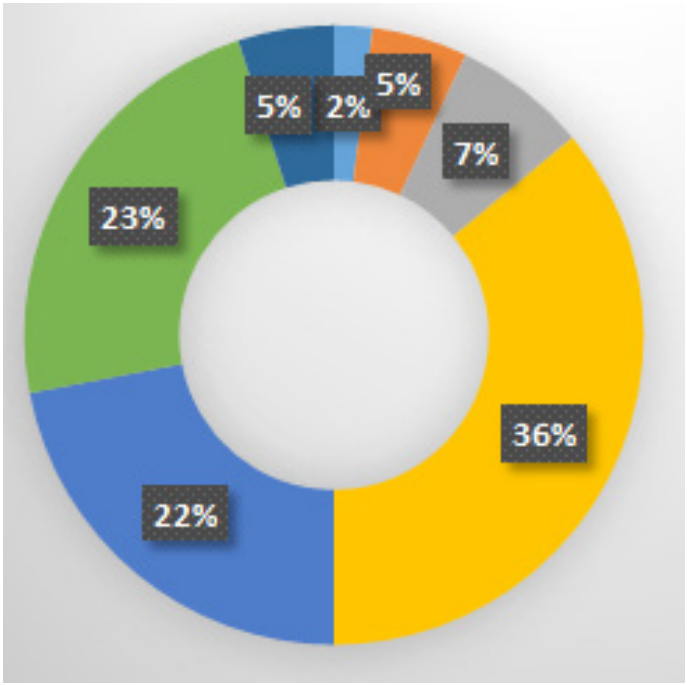

Director

Professor

Students

Research Scolars

Business Enterprenures

Explore Berlin

Berlin, capital and chief urban centre of Germany. The city lies at the heart of the North German Plain, athwart an east-west commercial and geographic axis that helped make it the capital of the kingdom of Prussia and then, from 1871, of a unified Germany. Berlin's former glory ended in 1945, but the city survived the destruction of World War II. It was rebuilt and came to show amazing economic and cultural growth. Germany's division after the war put Berlin entirely within the territory of the German Democratic Republic (GDR, or East Germany). The city itself echoed the national partition—East Berlin being the capital of East Germany and West Berlin a Land (state) of the Federal Republic of Germany (FRG, or West Germany). West Berlin's isolation was later reinforced by the concrete barrier erected in 1961 and known as the Berlin Wall. Its status as an enclave made Berlin a continuous focus of confrontation between the Eastern and Western powers as well as a symbol of Western lifestyle for 45 years. The fall of the East German communist regime—and the accompanying opening of the wall—in late 1989 unexpectedly raised the prospect for Berlin's reinstatement as the all-German capital.
