INVITATION

ABOUT CONFERENCE

We are glad to announce our upcoming webinar “Dental and Oral Wellness” on December-04, 2024 through online. The Conference focuses on the Theme **“Oral Wellness and Preventive Dentistry: From Research to Real-World Impact”**

Dental Wellness 2024 invites oral sessions on cutting-edge advancements in Dentistry, including Dental science, innovative applications in regenerative medicine, and the scientific exploration of dental interventions. The conference will focus on breakthroughs in oral health for addressing complex dental health challenges, cutting-edge research in oral diseases , and the crucial role of dental preservation techniques in treating diseases and enhancing oral care. Dental Wellness 2024 primarily concentrates on state of the research and the application of innovative treatments across various fields.

YOUNG RESEARCH FORUM:

We are announcing the Young Scientist Awards through the **Dental and Oral Wellness** which is scheduled on December 04**, 2024** through Webinar. This Dental Wellness 2024 focuses on “Oral Wellness and Preventive Dentistry: From Research to Real-World Impact”. Dental Wellness 2024 and upcoming webinars will recognize participants who have significantly added value to the scientific community of Medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.
