ABOUT SINGAPORE

Singapore is a global commerce, finance and transport hub. Its standings include: the most "technology-ready" nation (WEF), top International-meetings city (UIA), city with "best investment potential" (BERI), second-most competitive country, third-largest foreign exchange market, third-largest financial center, third-largest oil refining and trading center and the second-busiest container port. Singapore is one of the great cities of the world, with its blend of Asian and European cultures. Singapore's famed Marina Bay is the place to go to see the city's most spectacular side. With the fast development of this cosmopolitan city-state, the whole Marina Bay area has undergone a transformation of epic proportions. Universal Studios Singapore is the first amusement park of its kind to open in Southeast Asia. The park has more than 20 attractions in themed zones including the Lost World, Ancient Egypt, New York, Hollywood and Madagascar. The luxurious colonial
