Past Event Report

Meetings International successfully hosted the International Conference on Dentistry and Prosthodontics. The conference was a great success, bringing together experts and professionals from the field of dentistry.

Eminent keynote speakers from various universities delivered insightful presentations, contributing to the success of the event. The generous response and active participation of the organizing committee members played a significant role in making the conference a remarkable experience.

We would like to take this opportunity to express our sincere gratitude to all the speakers, delegates, and participants for their valuable support and time in making the conference a success.

About Venue:

London, the capital of the United Kingdom, is a vibrant city known for its rich history, diverse culture, and stunning architecture. Situated along the River Thames, it attracts millions of visitors each year with its world-famous landmarks and attractions. One of the most iconic places in London is Big Ben and the Houses of Parliament, a must-visit for history and architecture enthusiasts. Nearby, Buckingham Palace serves as the official residence of the British monarch, where visitors can witness the famous Changing of the Guard ceremony. For breathtaking city views, The London Eye offers a panoramic perspective of the skyline. Another unmissable sight is Tower Bridge, an engineering marvel that spans the River Thames, close to the historic Tower of London, home to the Crown Jewels. London is also famous for its museums, such as the British Museum, which houses global treasures, and the National Gallery, showcasing masterpieces by renowned artists. Nature lovers can relax in Hyde Park, one of the city's largest green spaces.
