Explore **Dubai**

The global city of Dubai is the largest in the United Arab Emirate, with tourism and a western-style business model driving its revenue. Dubai boasts cutting-edge building projects, some of the world's tallest skyscrapers and first class resorts. The Burj Khalifa, currently the tallest building in the world, affords visitors an almost surrealistic view of the city from the observation decks on the 124th and 148th floors. The Jumeirah Mosque is one of the most beautiful in the city and one of only very few that are open to non-Muslims. Those who are inclined to a more entertainment-oriented holiday can visit IMG Worlds of Adventure, the largest indoor theme park in the world. Thrilling rides, multiple dining options and fun for all, means that you can spend days in this mega playground which is the size of 28 football fields. Tie up your vacation with a stopoff at Madinat Jumeirah, constructed as a replica of a traditional Arab village. Waterways, palm trees and flat-roofed hotels make this a delightful place to visit by day and night. But this city has many cultural highlights and things to do as well as all the glamorous modern add-ons.
