

ICE AESTHETIC®

About ICE AESTHETIC

ICE AESTHETIC® is the premium partner in the field of cryolipolysis - a completely new and innovative application for the treatment of local fat deposits from outside. With 60-70 minutes of controlled cold we treat your body zones - gently, effectively, without surgery, scars, downtime or pain. In addition, we offer in combination or separately cellulite and skin tightening treatments with the shock wave technology . ICE AESTHETIC is already represented in Germany, Great Britain, Austria, Switzerland and Spain. Other locations are constantly being supplemented.
