Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Tourist Destinations in Budapest, Hungary

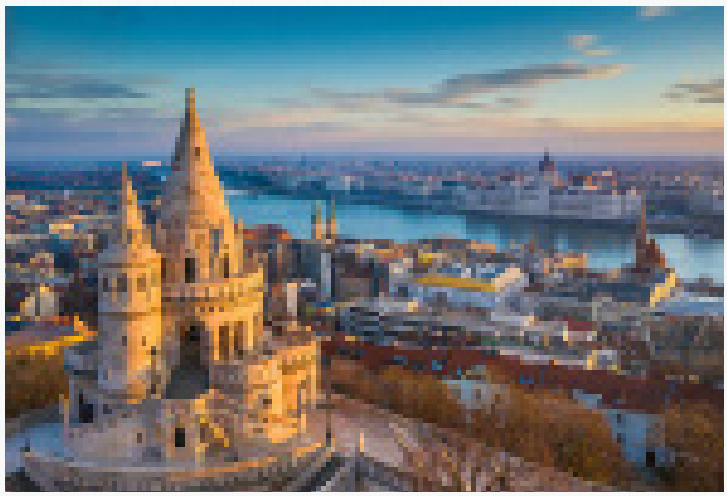

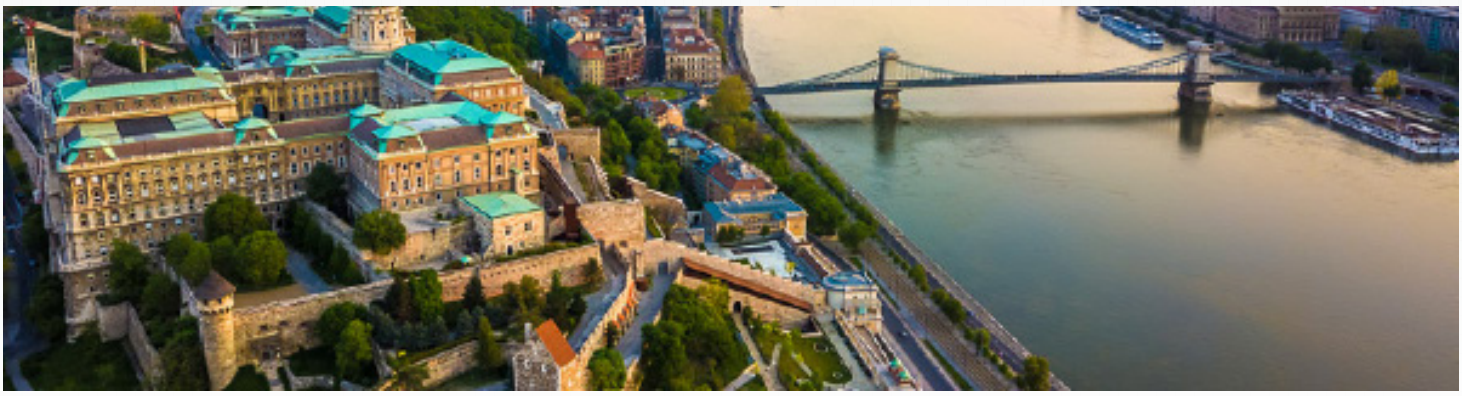

About Budapest, Hungary

Hungary is a landlocked country in Central Europe. Its capital, Budapest, is bisected by the Danube River. Its cityscape is studded with architectural landmarks from Buda's medieval Castle Hill and grand neoclassical buildings along Pest's Andrassy Avenue to the 19th-century Chain Bridge. Turkish and Roman influence on Hungarian culture includes the popularity of mineral spas, including at thermal Lake Heviz.The nation offers an excellent standard of living, a healthy environment, and a very low cost of living. Hungary also has a number of annual events that make it highly desirable for tourists from all over the world.Statuesque castles', stunning lakes, extraordinary caves, thick forests, and magnificent churches, Hungary is more than just its glittering capital 'Budapest'. The myriad places to visit in Hungary are fast turning one of the most popular countries in Eastern Europe into a hot and happening tourist destination.Hungary is a country of immense beauty. It proudly boasts 10 national parks, 145 minor nature reserves, and 35 landscape protection areas. It's a country with a fascinating history, as well as a rich natural landscape, but it is arguably one of the most underrated European travel destinations.
