EuroSciCon

Diabetes Conference

2021

Invitation

Euroscicon is proud to host the 5th World Congress on Diabetes and Obesity held during February 25-26, 2021 in Vienna, Austria. The conference is themed around "Challenges of Diabetes & Obesity during COVID - 19" with the aim to bring together a wide audience of industry, healthcare, research, and medical practitioners to educate and bring about a fruitful debate on the confined topics.

The Diabetes Conference 2021 will be a great event to network, learn and engage with professionals in the field of diabetes, obesity and endocrinology.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant toxicological forum in person is your active participation.

Best Regards,
Organizing Committee

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's sciDiabetesific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriDiabetesed challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and developmDiabetes.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ SciDiabetesific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of contDiabetes and global exposure.

Our International SciDiabetesific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our evDiabetess are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other saliDiabetes features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object IdDiabetesification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for studDiabetess and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 25000+ diabetologists and endocrinologists accessing the website, Diabetes Conference 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Diabetes Conference 2021 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant cliDiabetess UnprecedDiabetesed growth creating an unparalleled market place

How's EuroSciCon differDiabetes?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting differDiabetes sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and studDiabetess
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

5th World Congress on Diabetes and Obesity plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently business analysts, medical representatives and healthcare providers.

About hosting organization

EuroSciCon is one among Europe's largest and most significant sciDiabetesific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through SciDiabetesific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards SciDiabetesific Serendipity.

Scientific Sessions:

- Diabetes And Obesity
- Diabetes and Pancreas
- Diabetes and Urine
- Diabetes and Metabolism
- Diabetes and Kidney Diseases
- Diabetes and Health
- Diabetes and Heart Diseases
- Diabetes and Liver
- Diabetes and Wound Healing
- Diabetes and Cancer
- Diabetes and Dementia
- Diabetes and Quality of life

About Destination Vienna, Austria

Vienna is the national capital, biggest city, and one of nine conditions of Austria. Vienna is Austria's most crowded city, with about 1.9 million occupants and its social, monetary, and political focus. It is the sixth biggest city by populace inside city restrains in the European Union.

Until the start of the twentieth century, it was the biggest German-talking city on the planet, and before the parting of the Austro-Hungarian Empire in World War I, the city had 2 million occupants. Today, it is the second-biggest German-talking city after Berlin. Vienna is host to many significant universal associations, including the United Nations, OPEC and the OSCE. The city is situated in the eastern piece of Austria and is near the fringes of the Czech Republic, Slovakia and Hungary. These locales cooperate in an European Centrope outskirt area. Alongside close by Bratislava, Vienna frames a metropolitan locale with 3 million occupants. In 2001, the downtown area was assigned an UNESCO World Heritage Site. In July 2017 it was moved to the rundown of World Heritage in Danger. Furthermore to being known as the "City of Music" because of its melodic inheritance, Vienna is additionally supposed to be the "City of Dreams", on account of it being home to the world's first psychoanalyst Sigmund Freud. Vienna's familial roots lie in early Celtic and Roman settlements that changed into a Medieval and Baroque city. It is notable for having assumed a critical job as a main European music place, from the period of Viennese Classicism through the early piece of the twentieth century. The noteworthy focus of Vienna is wealthy in engineering outfits, including Baroque royal residences and gardens, and the late-nineteenth century Ringstraße fixed with great structures, landmarks and parks.
