Video Presentation	
Video Presentation -1	16:00-16:15
Video Presentation -2	16:15-16:30
Video Presentation -3	16:30-16:45
Video Presentation -4	16:45-15:00
Conference Adjournment	
2nd Day Program will be updated soon	

About Berlin

Berlin, capital and chief urban centre of Germany. The city lies at the heart of the North German Plain, athwart an east-west commercial and geographic axis that helped make it the capital of the kingdom of Prussia and then, from 1871, of a unified Germany. Berlin's former glory ended in 1945, but the city survived the destruction of World War II. It was rebuilt and came to show amazing economic and cultural growth. Germany's division after the war put Berlin entirely within the territory of the German Democratic Republic (GDR, or East Germany). The city itself echoed the national partition—East Berlin being the capital of East Germany and West Berlin a Land (state) of the Federal Republic of Germany (FRG, or West Germany).
