Quality research

Explore Rome

Rome is one of a kind in having two sovereign elements found altogether inside its city restricts, the Holy See, spoke to by the Vatican City State, and the regionally littler Sovereign Military Order of Malta. The Vatican is an enclave of the Italian capital city and a sovereign ownership of the Holy See which is the Diocese of Rome and the incomparable legislature of the Roman Catholic Church. Rome hence has outside consulates to the Italian government, to the Holy See, to the Order of Malta and to certain universal associations. Rome additionally fills in as the capital of the Lazio district. With 2,874,558 inhabitants in 1,285 km2 (496.1 sq. mi), it is the nation's most populated commune. It is the fourth-most crowded city in the European Union. It is the focal point of the Metropolitan City of Rome, which has a population of 4.3 million residents.
