# *Invitation*

Meetings International proudly announces the ***International Conference On Digestive Disease*** scheduled during ***October 22-23, 2018*** in ***London, UK***. The conference emphasizes the theme "***Explore the Scope of Digestive Disease***".

Meetings International provides an international dais for scientists and Digestive Disease professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Liver has come into spotlight in the recent years. Many of the floral species have become extinct due to the human activities. Thus, priorities are given for the Digestive Disease research to produce more production to support the ever-growing population of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

# Explore London

London is a leading global city in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. It is the world's largest financial centre and has the fifth or sixth largest metropolitan area GDP in the world. London is often regarded as a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra high-net-worth individuals than any other city. London's universities form the largest concentration of higher education institutes in Europe. In 2012, London became the first city to have hosted the modern Summer Olympic Games three times.
