Invitation

Dear Attendees

Meetings International proudly announces the ***6th International Conference on Digestive & Gastrointestinal Diseases*** scheduled during ***April 19-20, 2021 in Berlin, Germany.***

The conference emphasizes the theme ***"CHALLENGES IN GASTROENTEROLOGY, HEPATOLOGY AND ENDOSCOPY DURING COVID-19"***.

Digestive Disease 2021 Conference provides a great platform by gathering eminent professors, Researchers, Students, and delegates to exchange new ideas. The Gastro Congress Online Conference will cover a wide range of topics and allow participants to discuss about the management of Gastrointestinal, liver, pancreatic diseases. Gastro Congress Virtual Meeting consists of keynote and plenary lectures, special sessions (Workshop and Symposium), Young Researcher Forum and Poster presentations. Best poster presenters will be judged and awarded during the Gastro Congress Online Conference. To encourage broad participation from all over the world Meetings Int is offering reduced registration fee for students.

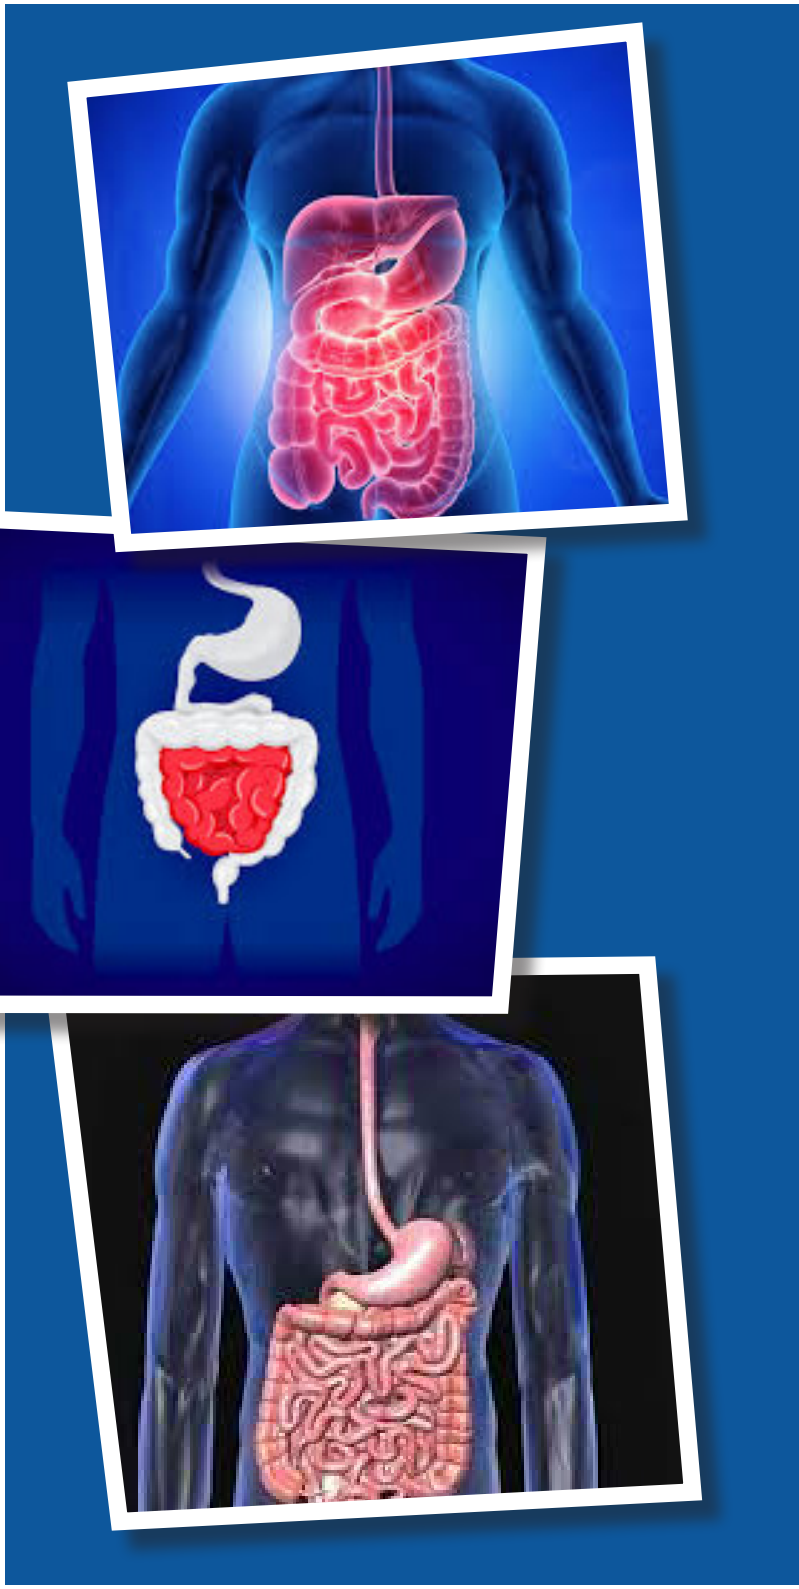

Sincerely,

Operating Committee

Berlin Attractions

Explore Berlin

Berlin, capital and chief urban centre of Germany. The city lies at the heart of the North German Plain, athwart an east-west commercial and geographic axis that helped make it the capital of the kingdom of Prussia and then, from 1871, of a unified Germany. Berlin's former glory ended in 1945, but the city survived the destruction of World War II. It was rebuilt and came to show amazing economic and cultural growth.

Germany's division after the war put Berlin entirely within the territory of the German Democratic Republic (GDR, or East Germany).

The city itself echoed the national partition—East Berlin being the capital of East Germany and West Berlin a Land (state) of the Federal Republic of Germany (FRG, or West Germany). West Berlin's isolation was later reinforced by the concrete barrier erected in 1961 and known as the Berlin Wall. Its status as an enclave made Berlin a continuous focus of confrontation between the Eastern and Western powers as well as a symbol of Western lifestyle for 45 years. The fall of the East German communist regime and the accompanying opening of the wall—in late 1989 unexpectedly raised the prospect for Berlin's reinstatement as the all-German capital.

Venue
Las Vegas, USA

Important Dates

Early Bird: ***August 05, 2020***

On Spot Registration: ***August 05, 2020***

Abstract Submission Deadline: ***April 05, 2021***
