

6th International Conference on

Digestive & Gastrointestinal Diseases

April 11-12, 2024 | Amsterdam, Netherlands

Theme: Common Digestive Disorders: Causes, Symptoms, and Treatments

VISIT US

https://www.meetingsint.com/conferences/digestivedisease

Dear Attendees,

Meetings International is delighted to invite you to the **6th International Conference on Digestive and Gastrointestinal Diseases**, which will be held on **April 11-12, 2024**, in the beautiful city of **Amsterdam, Netherlands**. This is a premier event in the field, providing a platform for experts, researchers, and professionals from around the world to come together and discuss the latest advancements, challenges, and opportunities in the field of digestive and gastrointestinal diseases.

The conference will feature a comprehensive scientific program including keynote presentations, plenary sessions, oral presentations, poster sessions, and workshops. We are excited to have distinguished experts and keynote speakers who are at the forefront of research and clinical practice in the field. This conference will be an excellent opportunity to network, collaborate, and learn from renowned professionals. We encourage you to mark your calendars for April 11-12, 2024, and be a part of this stimulating and enlightening event. Further details regarding registration, abstract submission, and accommodation will be available on the conference website HYPERLINK "https://www.meetingsint.com/conferences/digestivedisease" Digestive Diseases 2024.

We eagerly await your participation and contribution to making the 6th International Conference on Digestive and Gastrointestinal Diseases a resounding success.

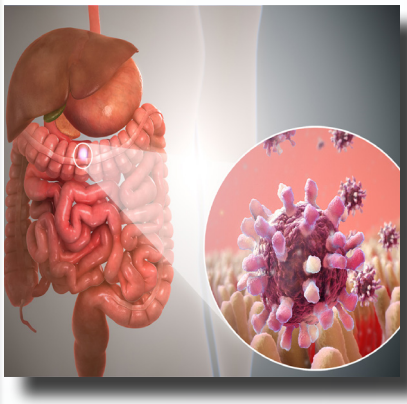

Sincerely,
Operating Committee
Digestive Disease 2024

15:45 - 17:30	Sessions

VENUE:

Amsterdam, Netherlands

Netherlands with overseas territories in the Caribbean, the Netherlands is a republic in northwest Europe of the four nations that compose the Kingdom of the Netherlands, it is the largest. The Netherlands contains twelve provinces and borders the North Sea on the north and west, as well as Germany to the east and Belgium to the south. The Hague, Utrecht, Rotterdam, and Amsterdam are the four urban areas in the Netherlands. The capital of the country and most populated place is Amsterdam.

In the North Sea, that has coastlines with Belgium, Germany, and the United Kingdom. The official language of the nation is Dutch, while the province of Friesland also recognises West Frisian as an official language. The States General, Cabinet, and Supreme Court were headquartered in The Hague. The busiest seaport in Europe is the Port of Rotterdam. The busiest airport in the Netherlands and third busiest in all of Europe is Schiphol. The European Union's founding member is the Netherlands. The Netherlands is the secondmost populated country in the European Union, with a population of 17.7 million, and is the 16th most densely populated country in the world, with a density of 529 people per square kilometre (1,370 people/sq mi) within a total area of 41,850 km2 (16,160 sq mi), of which the land area is 33,500 km2 (12,900 sq mi).
