Conference Highlights

Digestive Disease 2020

- Advancements in Digestive Disease
- Treatment
- Gastroenterology & Pregnancy
- Gastroenteritis
- Digestive Disorders
- Hepatic Disorders
- Endoscopic Retrograde
- Cholangiancreatography
- Pediatric Gastroenterology
- Endoscopic ultrasound and liver biopsy
- Neuro-Gastroenterology
- Clinical Research in Gastroenterology

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Berlin

Berlin, capital and chief urban centre of Germany. The city lies at the heart of the North German Plain, athwart an east-west commercial and geographic axis that helped make it the capital of the kingdom of Prussia and then, from 1871, of a unified Germany. Berlin's former glory ended in 1945, but the city survived the destruction of World War II. It was rebuilt and came to show amazing economic and cultural growth. Germany's division after the war put Berlin entirely within the territory of the German Democratic Republic (GDR, or East Germany). The city itself echoed the national partition—East Berlin being the capital of East Germany and West Berlin a Land (state) of the Federal Republic of Germany (FRG, or West Germany). West Berlin's isolation was later reinforced by the concrete barrier erected in 1961 and known as the Berlin Wall. Its status as an enclave made Berlin a continuous focus of confrontation between the Eastern and Western powers as well as a symbol of Western lifestyle for 45 years. The fall of the East German communist regime—and the accompanying opening of the wall—in late 1989 unexpectedly raised the prospect for Berlin's reinstatement as the all-German capital.

Berlin Attractions

November 28, 2018 | **Conference Agenda** | **Day 1**

Conference Hall: Ayala

09:30-10:00	**Registration**
10:00-10:20	**Introduction by Moderator**
10:20-10:55	**Keynote Forum** **Title: Attachment: The template of physical and mental health** **Myrna Martin**, Earth Sky Foundation, Canada

Networking & Refreshment Break 10:55-11:15 @ Lobby

11:15-11:50	**Keynote Forum** **Title: The perceived level of knowledge of cervical cancer among female medical and nursing students in Bahrain** **Hana Kadhom**, Former Director, Royal College of Surgeons Medical University in Ireland-Bahrain, UK
11:50-12:25	**Title: The impact of a virtual reality training programme on health professional knowledge** **Paul Slater**, Ulster University, Ireland
12:25-13:00	**Title: Efficiency of enteric-coated mini-microsphere pancreatin product on fat absorbtion and nutritional status of patients with exocrine pancreatic insufficiency due to chronic pancreatitis** **Alp Yildiz**, Yenimahalle Training and Research Hospital, Turkey

Group Photo 13:00-13:05 @ Lobby

Lunch Break 13:05-14:05 @ Laventae Restaurant

14:05-15:05	**Workshop** **Title: Fetal growth restriction: Suspicion, diagnosis and management by ultrasound and color doppler** **Kuldeep Singh**, Ian Donald School, India

Oral Session I:
Evidence-Based Nursing | Nursing Diagnosis for Gastrointestinal | Digestive Diseases | Surgical Nursing | Pregnancy and Womens Health Nursing

Session Chair: **Hana Kadhom**, Former Director, Royal College of Surgeons Medical University in Ireland-Bahrain, UK

15:05-15:30	**Title: Second victim: Prevalence, symptoms and support perception** **M Jbara**, Rabin Medical Center, Israel
15:30-15:55	**Title: Anomaly Scan: Paradigm shift from the second to the first trimester** **Kuldeep Singh**, Ian Donald School, India

Networking & Refreshment Break 15:55-16:15 @ Lobby

16:15-16:40

Young research forum
Title: Challenges of nursing
Ramanjeet Singh, Birla Vidya Niketan-New Delhi, India

Oral Session II:
Nursing Diagnosis for Gastrointestinal - Digestive Diseases | Advances in Digestive Diseases | Gastrointestinal Oncology | Obesity and Diabetes

Session Chair: **Adolfo Parrado Tellez**, Hospital San Vicente Surgeon, Bolivia

16:40-17:05

Title: Macrophage-derived angiogenin maintains epithelial barrier integrity to prevent colitis
Desen Sun, Zhejiang University School of Medicine, China

17:05-17:30

Title: G.I.T- Immunology
Jean Marie Poffe, Nutrition Consultations, Belgium

17.30-17.55

Title: Transarterial chemoembolization in patients with hepatocellular carcinoma: Study of different outcomes and their predictive factors
Mahmoud Elkadeem, Tanta University, Egypt

Session Adjournment

November 29, 2018 **Day 2**

Conference Hall: Ayala

09:45-10:20

Keynote Forum
Title: Microbiota dysbiose and hormones
Richard Haddad, Zen Pharma, France

10:20-10:55

Title: An exploration of Indian nurses motivation to nurse : A matter of service or economic gain and social mobility
Michelle Carter, City University London, UK

Networking & Refreshment Break 10:55-11:15 @ Lobby

11:15-11:50

Keynote Forum
Title: Evaluation of the implementation process of e-roistering system with frontline staff in an acute hospital in Ireland
Paul Slater, Ulster University, Ireland

11:50-12:25

Keynote Forum
Title: Influence of nursing work environment on nurse job satisfaction from 25 hospitals in China
Li-Juan Fu, RN Shanghai Children's Medical Center, China

12:25-13:00

Title: Chagas disease, therapeutic and conduct in sigmoid colonic volvulus
Adolfo Parrado Tellez, Hospital San Vicente Surgeon, Bolivia

Lunch Break 13:00-14:00 @ Laventae Restaurant

14:00-15:00

Workshop
Title: Co-creating effective emotional communication in high risk families with pre-schoolers: An essential for adult mental health
Myrna Martin, Earth Sky Foundation, Canada

Oral Session III:
Microbiome in Gastrointestinal & Liver | Liver diseases & Transplantation | Gallstones | Inflammatory Bowel Disease

Session Chair: **Jean Marie Poffe**, Nutrition Consultations, Belgium

15:00-15:25

Title: Angiogenin promotes colorectal cancer metastasis via tiRNA production
Muxiong Chen, Zhejiang University School of Medicine, China

15:25-15:50

Title: Pathophysiology and management of "Esophageal Varices" in current practice
Balwant Singh Gill, Swami Ji Gastroenterology Center, India

15:50-16:15

Title: Rate of *helicobacter pylori* eradication by Levofloxacin based and clarithromycin based sequential therapy regimens at tertiary care hospital
Ghulam Mujtaba Dahri, Liaquat National Hospital & Medical College, Pakistan

Networking & Refreshment Break 16:15-16:30 @ Lobby

Oral Session IV:
Nursing Infection Control and Prevention | Travel Nurse | Advanced Practice Registered Nurse | Advanced Practice Registered Nurse

Session Chair: **Myrna Martin**, Earth Sky Foundation, Canada

16:30-16:55

Title: The role of sterile services department in preventing infection
Fudim Michael, Assuta Rishon Medical Center, Israel

16:55-17:20

Title: Community health workers' stigmatizing attitudes in regards of persons with a mental disorder: A challenge of maternal mental health in a selected health centre in Rwanda
Vedaste Baziga, University of Rwanda, Rwanda

17:20-17:30

Video Presentation
Title: Assess the effectiveness of yoga on depression among women in post menopause at selected rural areas of Tamilnadu, South India
Sharadha Ramesh, Symbiosis International Deemed University, India
