Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **7th International Digital Health Congress** (**Digital Health 2024**) which is scheduled in **Barcelona, Spain** during **May 09-10, 2024**. This Digital Health conference focuses on Driving the future with Healthcare & Telemedicine. **Digital Health 2024** will recognize participants who have significantly added value to the scientific community of Digital Health and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

Acknowledgment as YRF Awardee Promotion on the conference website, Young Researcher Awards, and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee
