Osaka Attractions

Explore Osaka, Japan

Osaka commonly just is a designated city in the Kansai region of Honshu in Japan. It is the capital of and most populous city in Osaka Prefecture, and the third most populous city in Japan, following Tokyo and Yokohama. With a population of 2.7 million in the 2020 census, it is also the largest component of the Keihanshin Metropolitan Area, which is the second-largest metropolitan area in Japan and the 10th largest urban area in the world with more than 19 million inhabitants. Osaka was traditionally considered Japan's economic hub. Osaka has a large number of wholesalers and retail shops: 25,228 and 34,707 according to the city statistics. Osaka is known for its food, in Japan and abroad. Author Michael Booth and food critic François Simon of Le Figaro have suggested that Osaka is the food capital of the world.

Central Osaka is roughly divided into downtown and uptown areas known as Kita and Minami. Osaka's sprawling cityscape has been described as "only surpassed by Tokyo as a showcase of the Japanese urban phenomenon". Osaka is located in the humid subtropical climate zone with four distinct seasons. Its winters are generally mild, with January being the coldest month having an average high of 9.3 °C (49 °F). The city rarely sees snowfall during the winter.
