Meetings Int. offers

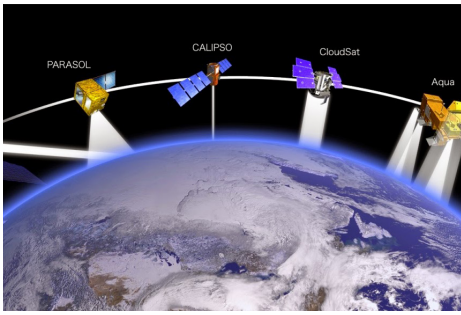

An unique platform for top level research and innovation

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Number of Attendees

200 +

- Societies, Universities & Hospitals
- Companies & Medical Farms

Number of Speakers and Presentations

32 +

Number of Sponsors and Exhibitors

10 +

Attendee Profile

- Director & Professors
- Senior Scientist
- Commercial/Business Dev

Explore Zurich

Zurich, Switzerland's largest city, is well known as the country's economic and cultural hub and one of Europe's main financial and industrial capitals. it's also a delightful and fascinating place for tourists. Its many attractions include dozens of museums, a well-preserved old town filled with medieval and Renaissance buildings, and enough art - both in and out of museums - to keep art-lovers happy for a week. Zurich tradition of liberal thinking and active intellectual life attracted leading figures that included Georg Buchner, Vladimir Lenin, James Joyce, C. G. Jung, and Thomas Mann, and this tradition continues into modern times. Although it buzzes with business activity, Zurich is one of the finest Swiss towns to visit and is perfectly arranged for sightseeing on foot
