Glimpse of Earth Science-2019

What people are saying???

I am very much grateful of getting this opportunity of taking part in International Conference on Earth & Planetary Science during March 16-17 in Las Vegas. We got the chance to meet excellent scholars and professors and discuss various aspects of energy and technology. I wish to see this conference bigger and better in near future

Nils-Axel Morner, Stockholm University, Sweden

The conference was very nice which put together experts in the field of energy from around the world. I am happy to be a part of the conference. I wish to see more engineers in the near future

Manoj Khandelwal, Federation University Australia, Australia

I am very honoured and appreciate the effort of organization to organize this conference in Las Vegas. It was very fruitful and eager to participate in the near future

Christopher Bryant, University of Montreal, Canada
