Energy 2109 Agenda	
Day 1 May 20, 2019	
09:30-10:00	Registration
10:00-10:10	Opening Ceremony
10:10-10:20	Introduction by Moderator
Keynote Forum	
10:20-10:50	Title: The Mix of Renewables and Non-Renewables for Meeting Global Energy Demand : The Trends Over the Last Half Century, and Future Scenarios
	Govinda Timilsina, World Bank, USA
Networking & Refreshment Break, 10:50-11:10	
11:10-11:40	Title: Reserves Classification and Well Pattern Infilling Adjustment in Tight Sandstone Gas Field
	Guo Zhi, PetroChina Research Institute of Petroleum Exploration & Development, China
11:40-12:10	Title: Technologies advancement and prospect of natural gas development in China
	Ailin Jia, Petrochina Research Institute of Petroleum Exploration and Development, China
12:10-12:40	Title: Flow Characteristics of heavy Crude Oil diluted with Alcohols
	Adango Miadonye, Cape Breton University, Canada
12:40-13:10	Title: Principles of Establishing Waste to Energy Plants in Developing Countries
	Abhishek Asthana, Sheffield Hallam University, UK
Group Photo	
Lunch Break 13:10-13:45	
Oral Session I	
13:45-14:05	Title: Investigation and evaluation of aerodynamic efficiency improvement measures for vertical axis small wind turbines
	Daniel Lehser-Pfeffermann, University of applied Sciences Saarbrücken, Germany
14:05-14:25	Title: Experimental and numerical analysis of wind turbines operation- polish case
	Maciej Żołądek, AGH UST, Poland
14:25-14:45	Title: How small solar powered autonomous container ships could affect maritime transport and environment
	Izabela Swatek, Mieszko Mierunski, AGH UST, Poland
14:45-15:05	Title: AGH Solar Boat as sustainable solution to combat climate change
	Karolina Stuchly, Aleksandra Skolarz, AGH UST, Poland
15:05-15:25	Title: The effect of encapsulation layer on thermo-electrical parameters of photovoltaic panels
	Maciej Borowicz, Witold Gebarowski, AGH UST, Poland
15:25-15:45	Title : Selection of batteries and optimatization of energy consumption during AGH Solar Plane fight
	Aleksandra Szelag, Sylwia Nabozna, AGH UST, Poland
15:45-16:05	Title: Experimental analysis and dynamic simulations of the operation of the photovoltaic cells installed in unmanned aircraft “AGH Solar Plane
	Krzysztof Sornek, Jakub Wiszniewski, AGH UST, Poland
Networking & Refreshment Break, 16:05-16:25	
16:25-16:45	Slot Available
16:45-17:05	Slot Available
Session Adjournment	

Day 2 May 21, 2019	
10:00-10:10	Introduction by Moderator
Keynote Forum	
10:10-10:40	Title : Analysis and Forecasts of World Renewable Energy Markets
	Abhishek Asthana, Sheffield Hallam University, UK
Networking & Refreshment Break, 10:40-11:00	
11:00-11:30	Title:Biomass:An Underrated and Deprioritized Energy Potential
	Abiodun Timilehin, Word Impact Renewable Energy Limited, Nigeria.
11:30-12:00	Title: Transition toward renewables in developed countries
	Hasan Kadri, Immortal Energy, Lebanon
12:00:12:45	Key Note Slot Available
Lunch Break 12:55-13:45	
Oral Session I	
13:45-14:05	Title : Thermo-Catalytic Reforming (TCR) of Lignocellulosic Biomass using Steel Slags (SS) as Catalyst
	Joao Santos, University of Birmingham, UK
14:05-14:25	Title : Analysis of General Rotor-Flux Oriented Vector Control Systems
	Abdullatif Hakami, University of South Florida, USA
14:25-14:45	Title : Flame propagation of pulverised biofuels of varying size distribution fractions
	Muhammad Azam Saeed, University of Engineering and Technology, Pakistan
14:45-15:05	Slot available
15:05-15:25	Slot available
15:25-15:45	Title : Dangers of Climate Change on Food Security and Economy of Developing Countries Case Study: Uganda
	Kwesiga Evadio, Makerere University, Uganda
15:45-16:05	Title : The use of international laws as a means of acting as universal environmental regulator in developing: case study Nigeria
	Kamuganga Gilbert, Makerere University, Uganda
Networking & Refreshment Break, 16:05-16:25	
16:25-16:45	Slot available
16:45-17:05	Slot available
Conference Adjournment	

Eminent Speakers @ Energy-2019

Govinda Timilsina
The World Bank, USA

Abhishek Asthana
Sheffield Hallam University, UK

Adango Miadonye
School of Science & Technology, Canada

Abdullatif Hakami
University of South Florida, USA

Ailin Jia
Petrochina Research Institute, China

Daniel Lehser-Pfeffermann
University of applied Sciences Saarbrucken, Germany

Guo Zhi
Petrochina Research Institute, China

Glimpse of Energy-2018

What people are saying???

I am very much grateful of getting this opportunity of taking part in International Conference on Renewable and Non-renewable Energy during July 16-17 in Las Vegas. We got the chance to meet excellent scholars and professors and discuss various aspects of energy and technology. I wish to see this conference bigger and better in near future

-Enhua Wang, Beijing Institute of Technology, China

The conference was very nice which put together experts in the field of energy from around the world. I am happy to be a part of the conference. I wish to see more engineers in the near future

-Bobbo Nfor Tansi, Brandenburg University of Technology, Germany

I am very honoured and appreciate the effort of organization to organize this conference in Las Vegas. It was very fruitful and eager to participate in the near future

-Yihuai Hu, Shanghai Maritime University, China
