ABOUT MIAMI

Miami is a major port city on the Atlantic coast of South Florida in the southeastern United States. As the seat of Miami-Dade County, the municipality is the principal, central, and the most populous city of the Miami metropolitan area and part of the second-most populous metropolis in the southeastern United States. A little more than a century ago, a city sprung up almost overnight. As a result, one of Miami's many nicknames is the Magic City. Miami is nicknamed the "Capital of Latin America "and is the largest city with a Cuban-American plurality. Miami is a major center, and a leader in finance, commerce, culture, media, entertainment, the arts, and international trade.

GLIMPSES OF ENERGY 2018

What people say about Energy 2018

I am very much grateful of getting this opportunity of taking part in International Conference on Renewable and Non-renewable Energy during July 16-17 in Las Vegas. We got the chance to meet excellent scholars and professors and discuss various aspects of energy and technology. I wish to see this conference bigger and better in near future.

Enhua Wang
Beijing Institute of Technology, China

The conference was very nice which put together experts in the field of energy from around the world. I am happy to be a part of the conference. I wish to see more engineers in the near future.

Bobbo Nfor Tansi
Brandenburg University of Technology, Germany

I am very honoured and appreciate the effort of organization to organize this conference in Las Vegas. It was very fruitful and eager to participate in the near future.
