# ABOUT SINGAPORE

Singapore is a city-state in Southeast Asia. Built up as a British trading region in 1819, since opportunity it has ended up being one of the world's most prosperous, assess well-disposed nations and displays the world's busiest port. Joining the elevated structures and metros of a progressed, prosperous city with a blend of Chinese, Malay and Indian effects nearby a tropical air, scrumptious sustenance from merchant centers, copious malls, and enthusiastic night-life scene, this Garden City makes an uncommon stopover or springboard into the territory. Singapore is a standout amongst the most prevalent travel goals on the planet for a considerable measure of reasons. One of which is the less stringent passage prerequisites.
