Dear Attendees,

Meetings International is glad to announce its upcoming **"5th International Conference on ENT"** scheduled on **November 13-14, 2024** in **Dubai, UAE**. The conference is organized with the theme: **"Implantable Technologies In Ent: Improving Patient Outcomes"**.

Explore the latest advancements in ENT diagnostic techniques surgical procedures, and medical interventions. We take great pleasure in inviting Scientists, Physicians, Otologists, Rhinologists, Audiologists, ENT Doctors, laryngologists, Surgeons, and associated Otorhinolaryngology Professionals worldwide for our upcoming to witness and participate in highly professional scientific discussions and sessions.

ENT 2024 will have invited Talks/Keynote Talks, Scientific Sessions, Workshops, Poster Presentations, Exhibitions, B2B meetings, Networking Sessions, etc. As part of encouraging young researchers, we have a special session, Young Research Fellow. In this session, all the students pursuing a doctoral degree are eligible to participate and the best paper presenter will be awarded Young Research Fellow (YRF) Award.

Hope you all join and make the year's most exciting event successful.

We accept abstracts for oral presentations; therefore request you all submit the abstracts at the earliest before the early bird dates.

Sincerely,
Operating Committee
Ent 2024

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **5th International Conference on ENT** which is scheduled in **Dubai, UAE** during **November 13-14, 2024**. This ENT conference focuses on Implantable Technologies In Ent: Improving Patient Outcomes.

ENT 2024 will recognize participants who have significantly added value to the scientific community of Otolaryngology and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

VENUE:

Dubai, UAE

The Conference is going to held at Vintage Grand Hotel in Dubai, UAE.

Dubai Gulf Arabic pronunciation: is the most populated city in the United Arab Emirates (UAE) and the capital of the Emirate of Dubai, the most populated of the 7 monarchies which together form the United Arab Emirates. Established in the 18th century as a small fishing village, the city grew rapidly in the early 21st century with a focus on tourism and luxury, having the second most five-star hotels in the world, and the tallest building in the world, the Burj Khalifa, which is over a half a mile tall.

In the eastern Arabian Peninsula on the coast of the Persian Gulf, it is also a major global transport hub for passengers and cargo. Oil revenue helped accelerate the development of the city, which was already a major mercantile hub.
