INVITATION

ABOUT CONFERENCE

By successfully completing **ENT 2024** conference, we are glad to announce our upcoming **"5th International Conference on ENT"** on **October 30-31, 2025** in **Paris, France**. The Conference focuses on the

Theme "Next-Generation Approaches in Otology, Rhinology, and Laryngology"

ENT 2025 invites oral sessions on otology and neurotology, rhinology and sinus disorders, and advances in laryngology and voice sciences. The conference welcomes discussions on innovations in cochlear implantation, minimally invasive ENT surgical techniques, and the role of AI and imaging technologies in diagnosis and treatment. Special focus will be given to pediatric ENT care, head and neck oncology, and sleep apnea and snoring management. Sessions will also highlight developments in audiology, balance disorders, robotic-assisted ENT procedures, and tele-otolaryngology. ENT 2025 aims to bring together global experts to explore cutting-edge research, share clinical experiences, and address challenges in ear, nose, throat, and related specialties for improved patient outcomes.

YOUNG RESEARCH FORUM:

This prestigious platform will recognize early-career researchers who have made valuable contributions to the field of ear, nose, throat, and related specialties. The Young Scientist Award aims to foster the growth of emerging scientists by offering them a unique opportunity to present their research, engage in discussions with global experts, and build meaningful professional connections.

We look forward to encouraging and celebrating the next generation of leaders in ENT research through this initiative.

Past Event Report

Meetings International Conference successfully hosted its Fourth series on the **"International Conference on ENT"** as a webinar during November 11-12, 2024. The conference was organised with a theme focused on "Exploring New Horizons in Ear, Nose, and Throat Disorders" and it was a great success. Eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

About Venue:

Known as the “City of Light”, Paris is one of the most iconic and romantic cities in the world, celebrated for its timeless beauty, rich history, and cultural charm. Situated along the scenic River Seine, Paris is home to world-renowned landmarks such as the Eiffel Tower, Notre-Dame Cathedral, Arc de Triomphe, and the Louvre Museum, which houses masterpieces like the Mona Lisa.

A global hub for art, fashion, gastronomy, and science, Paris seamlessly blends its historical heritage with modern innovation. The city’s elegant boulevards, charming cafes, and vibrant neighborhoods, including Montmartre and Le Marais, create an unforgettable atmosphere for every visitor.

Paris is also famous for its culinary delights, from freshly baked croissants and artisan baguettes to fine dining in Michelin-starred restaurants. For those who love shopping, the city boasts luxury boutiques, high-end fashion houses, and lively street markets.
