About Toronto

Canada is a North American country stretching from the U.S. in the south to the Arctic Circle in the north. Major cities include massive Toronto, west coast film centre Vancouver, French-speaking Montréal and Québec City, and capital city Ottawa. Canada may be very different from your home country, which means there is a great deal to learn about and explore before you arrive here. These pages will introduce you to important features of this country, such as the Canadian climate and way of life. Canada's vast swaths of wilderness include lake-filled Banff National Park in the Rocky Mountains. It's also home to Niagara Falls, a famous group of massive waterfalls.
