Gynecology, Obstetrics & Reproductive Health

August 12-13, 2019
Paris, France

Theme:

Techniques and Innovations in the Field of Women Health, Pregnancy and Delivery

EuroSciCon

Euro Gynecology

2019

Invitation

Welcome to Paris, is the capital and most populous municipality of the France. EuroSciCon is proud to host the 2nd European Conference on Gynecology, Obstetrics & Reproductive Health, on August 12-13, 2019 in Paris, France. This year's theme is Technical Strategies in Pre-natal grief, Child Birth and Congenital Disorders. Euro Gynecology 2019 will provide an unprecedented opportunity for gynecologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite gynecologists, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career, professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Euro Gynaecology 2019 Conference is the perfect venue not only to dive into your particular Gynaecological and Obstetrics interests but also to expand the scope of your knowledge. 26 tracks are devoted to subjects such as the Advances in Obstetrics and Gynaecology, Clinical Gynecologic Oncology, Gynaecological Endocrinology, Gynecologic Cancers: Case Report, Minimally Invasive Gynaecologic Surgery, Gynecological Endocrinology, Sexual and Reproductive Health and Rights, Ethical Legal and Social Issues, Stem Cells in Obstetrics and Gynecology etc. The Organizing Committee has done its best to set up a framework that we think will allow for creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Gynecological and Obstetrics forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ gynecologist and pharmacologists accessing the website, Euro Gynecology 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro Gynecology 2019 - Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

About Destination Paris

Paris is without a doubt one of the most beautiful cities in the world, and the capital of France. Paris is famous for the art of fashion. There are a million things to do and see in Paris and no matter how long you plan to learn French there, it'll never be long enough: Climb to the top of the Eiffel Tower, walk down the Avenue Champs Elysees, visit the Louvre Museum, go to Euro Disney, enjoy the parks, gardens, boutiques. The Paris Region had the third-highest GDP in the world and the largest regional GDP in the EU. The football club Paris Saint-Germain and the rugby union club Stade Français are based in Paris. The 80,000-seat Stade de France, built for the 1998 FIFA World Cup, is located just north of Paris in the neighbouring commune of Saint-Denis. The city is a major rail, highway, and air-transport hub served by two international airports: Paris-Charles de Gaulle (the second busiest airport in Europe after London Heathrow Airport with 69.5 million passengers in 2017) and Paris-Orly. Paris is the capital city of France as well as its most populous one. Being the 3rd most visited city in the world, there are lots of Things to do in Paris. Founded in the 3rd Century BC, Paris is best known as the home to various most visited museums in the world.

Here is a list of the most beautiful places in Paris you will definitely want to visit. The Louvre Museum, Notre Dame Cathedral, The Eiffel Tower, Musée d'Orsay, The Sorbonne and the Latin Quarter, Arc de Triomphe and the Champs-Elysées, Boat Tour of the Seine River, Luxembourg Palace and gardens, Bois de Boulogne and Disneyland Parisg etc.
