Invitation

Dear Attendees,

Meetings International proudly announces the ***European Nanotechnology Congress*** scheduled during ***March 21-22, 2022 in Berlin, Germany***.

The conference emphasizes the theme "Current Challenges and Innovations Therapeutics in Respiratory care".

The Euro Nano 2022 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. It is a global stage for uniting people of various fields of Nanotechnology in the field of research and innovation. Nanotechnology is hailed as having the potential to increase the efficiency of energy consumption, help clean the environment, and solve major health problems. It is said to be able to massively increase manufacturing production at significantly reduced costs. Products of nanotechnology will be smaller, cheaper, lighter yet more functional and require less energy and fewer raw materials to manufacture, claim nanotech advocates. This conference provides delegates the chance of meeting and interacting with the researches of nanotechnology starting from students, deans, professors and Doctors from around the world.

Sincerely,

Operating Committee

Euro Nano 2022

Conference Highlights

- Nanotechology
- Nano Biotechnology
- Material Science
- Nanostructures
- Nanorobotics
- Nanophotonics
- Nanomedicine

Berlin Attractions

Explore Berlin

Berlin is the capital and also the largest town of FRG. Berlin is located in northeastern Germany on the banks of the rivers Spree and Havel. Berlin's economy is principally supported the service sector. Berlin location is influenced by a temperate seasonal climate due to its location in the European plain. Berlin is the seventh most populous urban area in the European Union and second most populous city in the European Union. Berlin's growing appeal as an international study destination is also due in part to a greater provision of courses in English. Berlin is a major center for culture, politics, media, and science. Between the river Spree and the Kupfergraben in a 400-meter-long canal, Spree Island is better known as Museum Island (Museumsinsel), a UNESCO World Heritage Site. Here, you'll find many of the city's oldest and most important museums, including the Old Museum (Altes Museum).
