

4th European

Pathology Congress

May 17-18, 2027 | Paris, France

INVITATION

ABOUT CONFERENCE

By the successful completion of our previous pathology meeting, Euro Pathology 2020, held on July 16, 2020, in Paris, we are pleased to announce our upcoming Euro Pathology 2027, scheduled for May 17-18, 2027, in Paris, France.

Building on the strong scientific engagement and global participation of earlier editions, Euro Pathology 2027 will focus on the theme "Transforming Pathology: From Precision Diagnosis to Personalized Care." The conference aims to bring together leading pathologists, clinicians, researchers, laboratory professionals, and industry experts from across the world to discuss emerging trends, innovations, and challenges shaping the future of pathology.

The scientific program will feature plenary lectures, keynote sessions, interactive workshops, oral and poster presentations, offering a comprehensive platform for knowledge exchange and interdisciplinary collaboration. Key discussions will highlight advances in molecular pathology, digital pathology, artificial intelligence, and translational research, emphasizing their impact on clinical decision-making and patient outcomes.

YOUNG RESEARCH FORUM:

We are pleased to announce the Young Scientist Awards as part of Euro Pathology 2027, scheduled for May 17-18, 2027, in Paris, France. Building on the success of previous Euro Pathology conferences, this initiative aims to recognize and encourage young researchers, early-career pathologists, and emerging scientists who have made meaningful contributions to the field of pathology and laboratory medicine.

Aligned with the conference theme, "Transforming Pathology: From Precision Diagnosis to Personalized Care," the Young Scientist Awards will honor outstanding research that demonstrates scientific innovation, clinical relevance, and translational impact. The awards are designed to celebrate excellence in pathology research while motivating young professionals to advance diagnostic science and patient-centered care.

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities

TARGET AUDIENCE

- Pathologists & Histopathologists
- Molecular & Precision Pathology Specialists
- Digital Pathology & AI Professionals
- Clinical & Chemical Pathologists
- Hematopathologists & Cytopathologists
- Oncologists & Multidisciplinary Clinicians
- Biomedical & Translational Researchers
- Academicians, Professors & Educators
- PhD Scholars, Postdoctoral Fellows & Students
- Laboratory Medicine & Diagnostic Professionals
- Biotechnology, Pharmaceutical & MedTech Industry Experts
- Healthcare IT, Data Science & Regulatory Professionals

SESSION HIGHLIGHTS

- Molecular & Precision Pathology
- Digital Pathology & Artificial Intelligence
- Oncologic & Tumor Pathology
- Breast Pathology & Translational Oncology
- Gastrointestinal & Hepatobiliary Pathology
- Hematopathology & Bone Marrow Disorders
- Renal & Uropathology
- Head & Neck Pathology
- Cytopathology & Liquid Biopsy
- Immunopathology & Tumor Microenvironment
- Clinical & Chemical Pathology
- Histopathology & Surgical Pathology
- Forensic & Autopsy Pathology
- Experimental & Translational Pathology

Past Event Report

Meetings International Conferences successfully hosted Euro Pathology 2020 in Paris, France, on July 16, 2020, marking a significant milestone in advancing scientific exchange within the pathology community. The conference was organized around a contemporary theme addressing emerging trends and challenges in pathology and diagnostic medicine, and it concluded with outstanding success.

The event featured eminent keynote speakers and distinguished researchers from leading universities, research institutes, and healthcare organizations, who shared valuable insights and recent advancements in pathology practice and research. Their contribution enriched scientific discussion and fostered meaningful acdemic dialogue

We also extend our sincere appreciation to all speakers, delegates, and participants for their active involvement, valuable time, and commitment to scientific excellence. Their collective contributions made Euro Pathology 2020 a truly impactful and memorable event, laying a strong foundation for the upcoming Euro Pathology 2027.

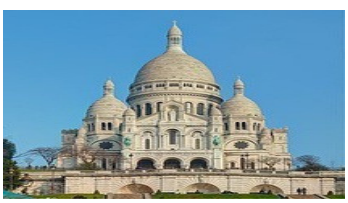

About Venue:

The Euro Pathology 2027 will take place in Paris, France, one of the world's most influential centers for science, medicine, culture, and innovation. Renowned for its advanced healthcare infrastructure and academic excellence, Paris offers an ideal setting for an international pathology congress. The conference will be hosted at a modern, well-connected conference venue equipped with state-of-the-art auditoriums, exhibition spaces, and meeting facilities to support plenary sessions, workshops, poster presentations, and networking activities. The venue is easily accessible via Paris's extensive public transport system and is conveniently connected to major international airports, ensuring smooth travel for global participants.

Beyond the scientific program, delegates can experience the rich cultural heritage of Paris. Iconic attractions include the Eiffel Tower, Louvre Museum, Notre-Dame Cathedral, and the Arc de Triomphe, along with the elegant Champs-Élysées. Attendees can also enjoy scenic Seine River cruises, historic neighborhoods such as Montmartre and Le Marais, and world-famous French cuisine. With its unique blend of academic excellence, cultural sophistication, and vibrant city life, Paris provides an inspiring and memorable backdrop for Euro Pathology 2027, offering participants both a rewarding scientific experience and an unforgettable stay.

Registration Fee

REGISTRATION TYPES	EARLY BIRD	MID TERM	FINAL CALL
ACADEMIC SPEAKER	$596	$705	$814
BUSINESS SPEAKER	$676	$805	$891
POSTER REGISTRATION	$699	$807	$915
DELEGATE REGISTRATION	$646	$753	$861
STUDENT REGISTRATION	$349	$399	$449
WEBINAR / VIRTUAL CONFERENCE REGISTRATION	$299	$399	$499
E-POSTER	$210	$210	$210
ACCOMPANYING PERSON	$249	$249	$249

Important Dates:

EARLY BIRD REGISTRATION ENDS

January, 2027
