Past Event Report

Meetings International Conference successfully hosted its Eleventh series on the “International Conference on Eye and Vision Millennium Charles de Gaulle Hotel in Dubai, UAE during December 02-03, 2019. The conference was organised with a theme focused on “Visualizing the Global Advancements in Ophthalmology” and it was a great success.

Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.
