Eye and Vision 2023

Theme: Latest advancements in the field of vision

EuroSciCon

Eye

2023

Invitation

Welcome to London, the City of Arts and Science, and experience the science of Ophthalmology illuminated as never before. EuroSciCon is proud to host the **7th International Conference on Eye and Vision 2023, February 23-24, 2023 London, UK**. This year's theme is **Latest advancements in the field of vision**. **Eye 2023** will provide an unprecedented opportunity for Eye of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Ophthalmology, Ophthalmic education, Current education and Expertise meeting. World-leading health experts, clinicians, educators and scientists Popular Researchers and Scholars in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Eye Conference is the perfect venue not only to dive into your particular ophthalmology interests but also to expand the scope of your knowledge. The tracks are devoted to subjects such as the Sight and Vision, Evolution Of The Eye, Eye Care Takers, Ophthalmic Photographers And Imaging, Eye Disorders And Eye Diseases, Glaucoma, Senescence And Vision Wreckage, Effects Of Other Diseases On The Eye, Glioma, Aesthetic Procedures In Ophthalmology/ Cosmetic Ophthalmology, Eye Surgeries, Eye Care, Vision Therapies Or Surgery, Contact Lens And Its Complications, Community Ophthalmology, Linguistic Relativity On Color Naming, Ophthalmology, Ophthalmic Instruments,

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Eye forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 26000+ Eye accessing the website, Eye 2023 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Eye 2023 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to *Congregate with most senior executives*

Nurture connexions
Agenda format which incorporates ample Q&A time. Partake in our revamped exhibitor expo sessions. Meet and listen to the relevant clients

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 26 Million+ Visitors and 20000+ Unique Visitors per conference World's leading industries and companies attend
Career guidance for early career researchers and students Provides insights you need to take your research to the next level A huge conclave of high tech and science priests

Eye

2023

Who'd be attending?

7th International Conference on Eye and Vision 2023 plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently doctors, Allopathic, specialists, Nurse, experts, Ophthalmic education, Current education and Expertise meeting. World-leading health experts, clinicians, educators and scientists, Business Entrepreneurs, Vision Research Labs Members, Software developing companies, Associations Manufacturing Medical Devices and others who stay plunged in learning and practice of the science of Ophthalmology

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- **Sight And Vision**
- **Glioma**
- **Aesthetic Procedures In Ophthalmology/ Cosmetic Ophthalmology**
- **Eye Surgeries**
- **Eye Care**
