Welcome Message

Eye Meeting 2017 spotlights on investigating the changes in eye and visual structure. Optometrists one is considered as one of the key restorative organizations masters for eye and visual framework. Eye Meeting 2017 discusses distinctive eye and vision mind, which fuses refraction and regulating, area/finding and organization of contamination in the eye, and the reclamation of conditions of the visual system. Eye meeting intends to highlight the associations between eye prosperity and systemic prosperity. The optometrist is all around put to recognize early signs of potential systemic and visual disease, while point by point history and symptoms examination can allow the expert to choose a patient's prosperity and lifestyle choices and necessities. By offering urging and support in perspective of this information, an optometrist in this way plays out a crucial general prosperity limit in diminishing and keep vision setback from both visual and systemic infection.

Attend to gain an unmatched experience in the field of Ophthalmology.

2nd International Conference on Eye and Vision will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other novel development strategies from some of our workshops and symposiums. Why to Attend???

Join your peers around the world focused on learning about Women's Health and Breast cancer related advances, which is your single best opportunity to reach the largest assemblage of participants from the Biosimilars community, conduct demonstrations, distribute information, meet with current and potential professionals, make a splash with a new research works, and receive name recognition at this 2-day event. World-renowned speakers, the most recent research, advances, and the newest updates in Women's Health and Breast cancer are hallmarks of this conference.

At Eye Meeting 2017 meet your target audiences from around the world focused on learning about Women's Health and Breast cancer. This conference would be your single best opportunity to reach the largest assemblage of participants from the Women's Health and Breast cancer community.

Abstract Information:

Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures
   - Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
   - Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing five minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.
2. Oral Sessions
   - Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/discussion at the end of the presentation.

Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS.

A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of Med Pharma Congress.

The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Med Pharma Congress, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

About Dubai

Dubai is situated on the Eastern shore of the Arabian Peninsula, in the south west corner of the Arabian Gulf. It is greatly outstanding for its warm friendliness and rich social legacy, and the Emirati individuals are inviting and liberal in their way to deal with guests. With year-round daylight, charming deserts, wonderful shorelines, extravagant lodgings and shopping centres, entrancing legacy attractions and a flourishing business group, Dubai gets a great many relaxation and business guests every year from around the globe. The nearby money is the dirham, which is pegged at AED 3.67 to 1 US dollar. Dubai is tolerant and cosmopolitan and all guests are welcome. Be that as it may, Islam is a lifestyle in the city, and in this manner visitors ought to receive a specific level of social and religious affectability for the length of their remain. Dubai is a city and emirate in the United Arab Emirates known for extravagance shopping, ultramodern engineering and a vivacious nightlife scene. Burj Khalifa, an 830m-tall tower, commands the high rise filled horizon. At its foot lies Dubai Fountain, with planes and lights choreographed to music. On manufactured islands simply seaward is Atlantis, The Palm, a resort with water and marine-creature parks.

Dubai's primary air terminal is the Dubai International Airport. You can likewise enter Dubai by utilizing Sharjah International Airport (SHJ) in the adjacent emirate of Sharjah and Abu Dhabi International Airport (AUH) in close-by Abu Dhabi. Visit guests from nations conceded programmed visa on passage may wish to buy an e-door card to accelerate migration conventions and spare international ID pages. The e-door card office is arranged in the upstairs food court region of the terminal 1 take-offs concourse. The card will cost AED 200. Note: If you expect to purchase an e-entryway card in Dubai, you probably entered UAE by means of Dubai air terminal.
