4th World Congress on

Vision Science & Eye Surgery

June 23-24, 2022 | Rome, Italy

Theme: Pathbreaking Innovations and New Possibilities in Vision Science & Eye Surgery

EuroSciCon

EYE SURGERY

2022

Invitation

Euroscicon Ltd is pleased to invite the Eye Surgery diaspora from all over the Globe to embrace “World Congress on Vision Science & Eye Surgery” during June 23-24, 2022. The Theme for the 2021 Conference is “Enrichment of recent research in surgery and surgical advancement”. The intent of the conference is to assemble all the leading academic scientists, Ophthalmologists, Ophthalmology Researchers together to exchange and share their experiences and research results about all the aspects of Eye Surgery. The meet up offers a premier forum for Academic Scholars, Ophthalmologists, Scientists and educationalists to present and converse the innovations, practical challenges encountered and the solutions adopted in Eye Surgery and Vision Science. The Conference program will cover a wide variety of topics significant to all the spectrums of Eye Surgery field.

Topics will cover the latest advances in Emerging Trends In Ophthalmic Drug Delivery, Advanced Ophthalmological Care,Vision Rehabilitation, Ophthalmic Technologies and many more...

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Oncologists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon EYESURGERY-2022 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense net- working opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

EYESURGERY-2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EYE SURGERY

2022

Who'd be attending?

EuroSciCon Conference on World Congress on Vision Science & Eye Surgery plays host for the Multinational organizations, entrepreneurs across the globe, the re- searchers and academicians. Prominently Ophthalmologists, Engineers, Scientists, Students and others who stay plunged in learning and practice in the Eye Surgery & its research.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Vision Science
- Common & Complex Eye Diseases
- Vision Rehabilitation
- Ophthalmic Technologies
- Advanced Ophthalmological Care
- Pediatric Ophthalmology
- Emerging Trends In Ophthalmic Drug Delivery
- Retina And Retinal Diseases
- Ophthalmologic Surgery
- Anesthesia For Ophthalmic Surgery
- Refractive Surgery
- Robotic Surgery
- Eye Transplant
- Ocular Trauma
- Ocular Microbiology And Ocular Immunology
- Ocular Oncology And Ocular Pharmacology
- Ophthalmology Diagnostic Tools
- Optometry
- Acupuncture Therapeutic Ophthalmology
- Neuro-Ophthalmology
- Glaucoma
- Ophthalmology Case Study
- Ophthalmology For The General Practitioner
- Ophthalmology Business/ Practice

About Destination Rome, Italy

Rome is the capital of Italy and a special comune (named Comune di Roma Capitale). Rome, also the capital of the Lazio region.There are 2,873,874 residents in 1,285 km2 (496.1 sq mi) and it is also the country's most populated comune. Rome is the fourth-most populous city in the European Union. Rome is located in the central-western portion of the Italian Peninsula, within Lazio (Latium), along the shores of the Tiber. The Vatican City is an independent country inside the city boundaries of Rome, the only existing example of a country within a city.For this reason Rome has been often defined as capital of two states. The language spoken here is Latin. Rome is a major international center for higher education containing numerous academies, colleges and universities. Rome ranked as 62nd in the world and top in Italy in its World University Ranking.

Rome has the status of a global city. In 2016, Rome ranked as the 14th-most-visited city in the world, 3rd most visited in the European Union, and the most popular tourist attraction in Italy. It has a growing stock of contemporary and modern art and architecture.

Rome is an important centre for music, and it has an intense musical scene, including several prestigious music conservatories and theatres.

Rome is at the centre of the radial network of roads that roughly follow the lines of the ancient Roman roads which began at the Capitoline Hill and connected Rome with its empire. Rome is served by three airports.

There are many attractions there like Arch of Constantine, Pantheon, Palazzo del Quirinale, Castel Sant Angelo, Roman Forum, Gardens of Villa Borghese, Trevi Fountains.
