Invitation

Dear Attendees,

Meetings International honors to welcome all the participants to attend its International Conference on Financial Economics which is going to be held on July 22-23, 2022 in Madrid, Spain. The primary theme of the conference is Financial Economics - New perspectives on corporate capital.

Financial Economics 2022 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Finance and Economics. It also provides an integrative leading platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges experienced and solutions acquired in the fields of Finance and Economics.

Sincerely,

Organizing Committee

Madrid Attractions

Explore Madrid

Full of energy and packed with cultural attractions, Madrid is a modern metropolis that offers a taste of the real Spain. Wide avenues are congested with traffic, but beautiful parks break up the urban sprawl. Madrid doesn't have the traditional charm of Andalusia or the beauty of Barcelona; instead, it is a hub of social life with a happening café culture and bustling nightlife. The city is constantly buzzing with activity and there are so many things to see and do that tourists will be spoiled for choice. The world-class Prado Museum displays an endless array of masterpieces created during the Golden Age of Spain, and the 18th-century Royal Palace rivals the Chateau de Versailles in France.

Visitors should be sure to experience Madrid in the evening, when the city really comes to life. Spain's capital city, Madrid boasts an impressive array of historical monuments and art museums, as well as pleasant gardens and public plazas.

Venue
Madrid, Spain
