INTERNATIONAL CONFERENCE ON

FLUID DYNAMICS & AERODYNAMICS

APRIL 22-23, 2020 | SINGAPORE CITY, SINGAPORE

Fluiddynamics 2020

Invitation

Dear Attendees,

Meetings International proudly announces the International Conference on Fluid Dynamics & Aerodynamics scheduled during April 22-23, 2020 in Singapore City, Singapore. The conference emphasizes the theme "Ongoing advancement in fluid dynamics and aerodynamics".

The key aim of Fluid Dynamics 2020 is to give chance to the worldwide members to share their thoughts and involvement face to face with their companions expected to join from various parts on the world. What's more this social occasion will assist the representatives with establishing examination or business relations just as to discover global linkage for future joint efforts in their vocation way. It likewise gives a chief interdisciplinary stage to specialists, professionals and instructors to introduce and talk about the latest developments, patterns, and worries just as common-sense difficulties experienced and arrangements received in the fields of Fluid Dynamics and Dynamics. We trust that Fluid Dynamics 2020 provides the result which will prompt noteworthy commitments to the information base in these forward-thinking logical fields in degree.

Sincerely,

Operating Committee

Conference Highlights

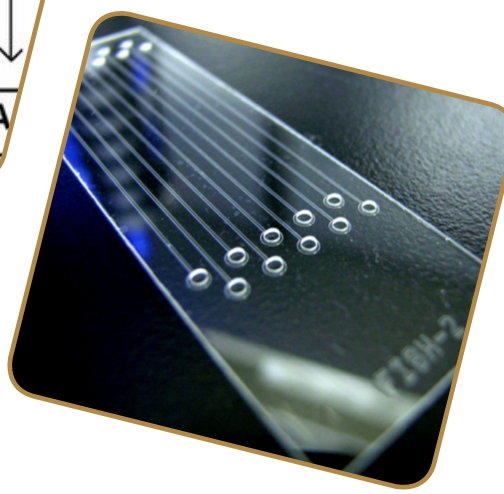

- Fluid Dynamics
- Numerical Methods
- CFD Methodology
- Heat Transfer System
- Aerodynamics
- Aero Acoustics
- Bio-fluid Dynamics
- Microfluidics Research and Advances
- Biosensors, Types and Bio sensing Technologies
- Nano-Materials and Nanotechnology
- Fluidic Micro Actuators
- Aerodynamics Simulation

To identify the future directions of research

Peer review and high quality publication

Quality research

Head Management/CEO/Manager

Dean

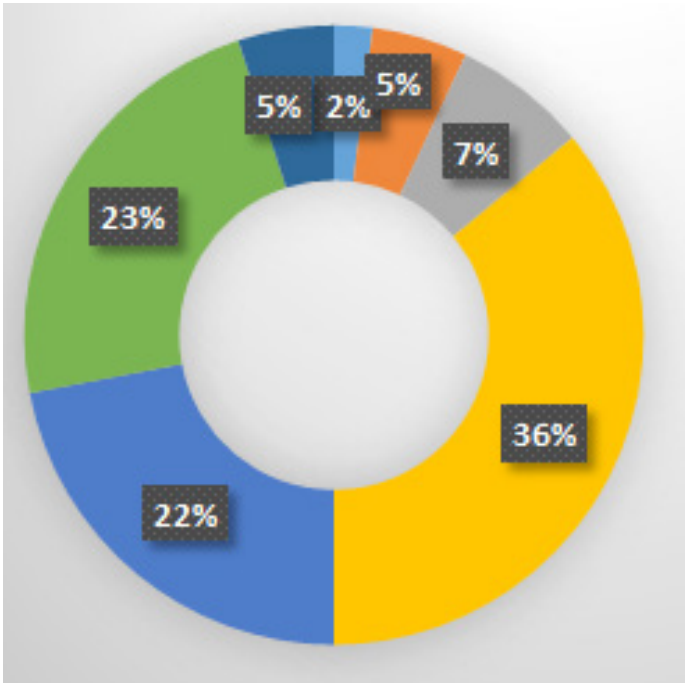

Director

Professor

Students

Research Scolars

Business Enterprenures

Explore Singapore

Reliably positioned as Asia's Top Convention City by the International Congress and Convention Association (ICCA), Singapore is a worldwide pioneer for business occasions. Singapore ranks 5th on UN Human Development Index with 3rd highest GDP per capita globally. Tourism forms a massive part of the economy with over 17 million visitors visiting the city in 2017. It is a worldwide core for finance, business, arts, culture and it is recognized as one of the most multicultural cities in the world. The Material Research Society in Singapore was framed in 1999 as a non-profit organization to assist rapidly in emerging materials in Singapore, Asia and further afield. which is affiliated with the International Union of Materials Research Societies.
