Dear Colleagues,

Meetings International provides an international dais for scientists and experts to exchange ideas, knowledge and networking at its 100+ International Conferences.

Meetings International invites all the participants across the globe to attend the European Food And Nutrition Congress during October 22-23,2018 , Vienna, Austria. The theme of the conference is " Investigating The Interrelationship of Food, Nutrition and Health To Feed The Future Generation". and to encourage young minds and their research abilities by providing an opportunity to meet the experts in the field of Food and Nutrition from all over the globe.

Food and Nutrition aims to influence unique mix of expert .The basic and foundational part of our lives is food. The people who eats whole food rich in nutrients enjoy their lives more, live longer and remain at reduced risk of death. It is necessary to maintain a healthy body weight and avoid suffering from chronic diseases like diabetes, heart diseases etc. It's important to maintain the balance between food and nutrient to remain healthy. From a handful of foods, it is not possible to get all the nutrients.

Food and Nutrition 2018 provides an aid for scientists, researchers, students from different parts of the globe to share, analyze and results about all features and laws of European Food and Nutrition.
