15th International Conference on

Food Microbiology

October 22-23, 2024 | Paris, France

https://www.meetingsint.com/conferences/foodmicrobiology

Invitation

Dear Attendees,

Meetings International proudly announces the ***15th International Conference on Food Microbiology*** will be scheduled in ***Paris, France*** during ***October 22-23, 2024***

The conference emphasizes the theme "The Next Level Challenges and Innovations in Evidence Analysis".

The latest trends and innovations in Food Microbiology field have authorized it to become more advance science that involves a number of disciplines and more number of Food scientists specializing in everything from DNA and botany to dentistry and tool marks. 15th International Conference on Food Microbiology will be scheduled in Paris, France during October 22-23, 2024 which includes prompt keynote presentations, Oral talks, Workshops/Symposia, Poster presentations, and Exhibitions. The theme of the conference is around, "INNOVATION AND ADVANCEMENT IN FOOD SAFETY RESEARCH". FOOD MICROBIOLOGY-2024 is the premier event that brings together a unique and international mix of experts, researchers, and decision-makers both from academia and industry across the globe to exchange their knowledge, expertise, and research innovations to build a world-class Food Microbiology.

Sincerely,

Operating Committee

FOOD MICROBIOLOGY-2024

Conference Highlights

- Food Microbiology
- Food Nanotechnology
- Foodborne Infections and Diseases
- Single Cell Protein
- Human Health in Probiotics
- Food Allergies
- Food Processing and Packaging Technologies
- Latest things and Research in Nutrition and Food Science
- Microbial science of Food Fermentations

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Paris Attractions

Explore Paris

Paris, the enchanting capital of France, is a city of timeless allure, effortlessly blending history, culture, and modernity. Renowned as the "City of Light" (La Ville Lumière), Paris emanates a unique charm that captivates millions of visitors each year.

At the heart of Paris lies the River Seine, which gracefully meanders through the city, dividing it into the Left Bank (Rive Gauche) and the Right Bank (Rive Droite). Along its banks, iconic landmarks such as the Eiffel Tower, Notre-Dame Cathedral, and the Louvre Museum proudly stand, symbols of Paris's rich heritage and architectural grandeur.

The Eiffel Tower, an engineering marvel crafted by Gustave Eiffel for the 1889 World's Fair, remains an enduring emblem of Paris. Its lattice structure ascends 324 meters into the sky, offering panoramic views of the city below. A testament to human ingenuity, the tower attracts millions of visitors annually, drawn to its timeless beauty and unparalleled vistas.

Adjacent to the Eiffel Tower lies the Champ de Mars, a sprawling park where locals and tourists alike gather to relax, picnic, and admire the tower's splendor.

Venue
Paris, France

Important Dates

Early Bird: ***May 31, 2024***

Abstract Submission Deadline: ***May 26, 2024***
