Invitation

EuroSciCon is delighted to invite you to attend the **"11th International conference on Food Safety, Hygiene and Regulatory Measures"** during **October 28-29, 2022 | London, UK.** with a theme **"Global Forum of Innovations in Food Safety"**. Participating at Food Safety-Hygiene 2022 this pinnacle will bring organized the senior level specialists with a perfect blend for multidisciplinary collaboration between innovators, scientists, academicians from all over the world and discussed the newest innovations with keynotes and featured presentations in the field of food and Hygiene research.

Food Safety-Hygiene 2022 is a two days meeting comprises workshops, symposiums and special keynote sessions led by famous and prestigious speakers who exceed expectations in the field of Food and Hygiene. This food and Hygiene Conferences as well encourages the active participation of young students, and talented understudy bunches from universities and research labs giving an ideal space to share the latest progressions in the Hygiene and Food Investigate and upcoming analysts and sprouting researchers as we are allowing Poster Award Competition and Young Research Forum at the meeting venue.

Food Safety, Food Safety Laws and Regulations, Food Preservation and Quality Standard, Food Safety in Retail Foods, Microbiological And Chemical Aspects of Food Safety, Food Safety and Hygiene Regulations, Food Safety Management Systems, Food Safety Modernization Act, Food And Nutrition, Novel Foods And Nano Materials, Genetically Modified Foods, Food Security and Policy, Food Toxicology and Allergens, New Developments in Food Industry, Food Processing and Analysis, Medical Foods and Dietary Supplements, Food Additives and Labelling, Food Safety in Biotechnology, Food Production and Packaging Systems, Food Safety Oil and Fat Analysis, Nutrigenomic, Good Manufacturing Practices, Food Engineering, Organic Food and Sustainable Agriculture

About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially EuroSciCon, founded in 2001 is a UK based independent life science Events Company with predominantly business and academic client base. The key strategic objective of EuroSciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. EuroSciCon expanded its operations to international in association with Meetings International, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

About EuroSciCon

1. Access to All Sessions Online
2. E-Handbook & E-Conference Kit
3. E-Certificate of Presentation
4. Exclusive Speaker Pages in relation with the conference website for registered speakers and Organizing Committee Members
5. Publication of extended abstract (1000 words) and biography in respective supporting journal
6. Online publication of Abstract and Biography in our website which has 25 Million visitors
7. Online publication of Abstract and Biography in respective conference webpage which has 25,000 online unique subject experts visitors
8. 15% abatement on the registration fees for the next annual conference
9. Nominations for Best Poster Award
10. International Networking and Scientific Association, Collaboration
11. Free publication of video article(1MB)

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions. B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

demicians. Prominently Researchers, Investigative Food Safety and delegates, chemistry related disciplinary event considering all the major areas of Food Safety, including inorganic, physical, organic, analytical and biochemistry. Besides fundamentals, the conference also presents advanced topics like Food Safety, Food Safety Laws and Regulations, Food Preservation and Quality Standard, Food Safety in Retail Foods, Microbiological And Chemical Aspects of Food Safety, Food Safety and Hygiene Regulations, Food Safety Management Systems, Food Safety Modernization Act, Food And Nutrition, Novel Foods And Nano Materials, Genetically Modified Foods, Food Security and Policy, Food Toxicology and Allergens, New Developments in Food Industry, Food Processing and Analysis, Medical Foods and Dietary Supplements, Food Additives and Labelling, Food Safety in Biotechnology, Food Production and Packaging Systems, Food Safety Oil and Fat Analysis, Nutrigenomic, Good Manufacturing Practices, Food Engineering, Organic Food and Sustainable Agriculture

Scientific Sessions:

- Food Safety
- Food Safety Laws and Regulations
- Food Preservation and Quality Standard
- Food Safety in Retail Foods
- Microbiological And Chemical Aspects of Food Safety
- Food Safety and Hygiene Regulations
- Food Safety Management Systems
- Food Safety Modernization Act
- Food And Nutrition
- Novel Foods And Nano Materials
- Genetically Modified Foods
- Food Security and Policy
- Food Toxicology and Allergens
- New Developments in Food Industry
- Food Processing and Analysis
- Medical Foods and Dietary Supplements
- Food Additives and Labelling
- Food Safety in Biotechnology
- Food Production and Packaging Systems
- Food Safety Oil and Fat Analysis
- Nutrigenomic
- Good Manufacturing Practices
- Food Engineering
- Organic Food and Sustainable Agriculture

See your work PUBLISHED in one of our related journals

- Journal of Food Microbiology
- Journal of Food Technology
- Journal of Food Safety and Hygiene
