About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially EuroSciCon, founded in 2001 is a UK based independent life science Events Company with predominantly business and academic client base. The key strategic objective of EuroSciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. EuroSciCon expanded its operations to international in association with Meetings International, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

About EuroSciCon

1. Access to All Sessions Online
2. E-Handbook & E-Conference Kit
3. E-Certificate of Presentation
4. Exclusive Speaker Pages in relation with the conference website for registered speakers and Organizing Committee Members
5. Publication of extended abstract (1000 words) and biography in respective supporting journal
6. Online publication of Abstract and Biography in our website which has 25 Million visitors
7. Online publication of Abstract and Biography in respective conference webpage which has 25,000 online unique subject experts visitors
8. 15% abatement on the registration fees for the next annual conference
9. Nominations for Best Poster Award
10. International Networking and Scientific Association, Collaboration
11. Free publication of video article(1MB)

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions. B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

Who'd be attending?

EuroSciCon is the longest running independent life science events company with a predom-inantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially Euro-SciCon, founded in 2001 is a UK based independent life science Events Company with pre-dominantly business and academic client base. The key strategic objective of Euro-SciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. Eu-roSciCon expanded its operations to international in association with Meetings Internation-al, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

Benefits of attending the Conference:

- Keynote certificate / speaker Certificate
- CPD certificate / CME certificate
- Best speaker / best young researcher award
- Journal Publication with ISSN number
- Separate Biography and research page in website.
- Conference Kit
- Lunch and breakfast.

Food Safety 2023

About Destination Dubai, also spelt Dubayy, is the capital and largest city of the emirate of Dubai, one of the richest in the United Arab Emirates, a federation that was established in 1971 after gaining independence from Great Britain. The name Dubai is the subject of various hypotheses. One believes it relates to the daba, a species of locust that inhabits the region, while another believes it alludes to a market that once stood close to the city. Dubai is frequently recognised as the Middle East's top entrepôt and in recent years has been likened to Singapore and Hong Kong. 13.5 square miles in size (35 square km). (Estimated for 2017) 2,919,178.

Euroscicon Conference on Food Safety 2023 Conference plays host for the Multina-tional organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Researchers, Investigative Nutrition and delegates, chemistry related dis-ciplinary event considering all the major areas of Nutrition, including inorganic, physical, organic, analytical and biochemistry. Besides fundamentals, the conference also presents advanced topics like Food science, Food safety, Sustainable food safety, Food labeling, Food hygiene, Food additives, Pesticide residues, Food security, Quality control, Risks to food security, Children and food security, Gender and food security, Food-insecure, Effects of food insecurity, Agricultural diseases

Scientific Sessions:

- Food science
- Food Safety
- Food Safety laws and regulations
- Risk Analysis & Management
- Food and Nutrition
- Food Safety and Modernization Act
- Food Preservation and Quality Standards
- Food Safety in Retail Foods
- Risks to food security
- Children and food security
- Gender and food security
- Food-insecure
- Effects of food insecurity
- Agricultural diseases
- Utilization and stability
- Study of food
- Food processing systems
- Risk Analysis and Management
- Food diagnostic
- Food systems
- Nature of foods
