# INVITATION

## ABOUT CONFERENCE

By successfully completing Food Science 2025 conference, we are glad to announce our upcoming "**6th World Congress on Food Science & Food Safety**" on **May 19-20, 2025** in **Rome, Italy**. The Conference focuses on the

Theme **"Revolutionary Treatments and Cutting-Edge Technologies in Nephrology"**

Food Science 2025 invites oral sessions on food microbiology, innovative treatments in food safety, and advancements in food preservation methods. The conference will also cover fundamental aspects of food systems and the importance of microbial technology in addressing various foodborne illnesses. Food Science 2025 focuses on cutting-edge research in food science and the application of new technologies in food production and safety..

## YOUNG RESEARCH FORUM:

We are announcing the Young Scientist Awards through the **6th World Congress on Food Science & Food Safety**, scheduled for **May 19-20, 2025**, in **Rome, Italy.** Food Science 2025 focuses on "Exploring the Interrelationship of Food and Nutrition in Human Health" This conference and upcoming ones will recognize participants who have significantly contributed to the scientific community in food science and provide them with outstanding Young Scientist Awards. The Young Scientist Award offers a valuable professional development opportunity for young researchers to meet experts, exchange ideas, and share their experiences at our international conferences.

## CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities

## TARGET AUDIENCE

- All the Stake Holders (both Academia & Industry) of the Sector
- Researchers & Innovators
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

# SESSION HIGHLIGHTS

- Food Safety
- Food Safety Laws and Regulations
- Food Microbiology
- Food Processing & Technology
- Food Production and packaging systems
- Food Chemistry
- Food Preservation and Quality Standard
- Food and Quality Control
- Food Toxicology
- Food-borne Diseases

## Past Event Report

Meetings International Conference successfully hosted its fifth series on the "**5th World Congress On Food Science & Food Safety** Hyatt Place London Heathrow Airport, **London, UK** during **June 27-28, 2024**. The conference was organised with a theme focused on "Analytical Techniques for Food Safety and Quality Assessment" and it was a great success.

Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

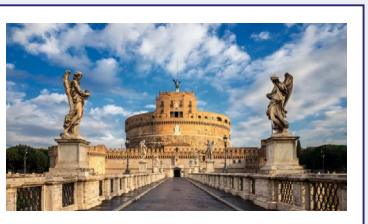

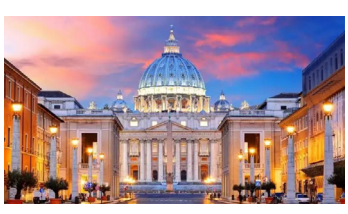

# About Venue:

Rome, the eternal city, seamlessly intertwines its rich history with modern vibrancy. Among its cultural tapestry, the anticipated “Food science Conference” in 2024 stands out. Rome’s historical marvels, from the iconic Colosseum to the Roman Forum, transport visitors to a glorious past. The artistic legacy flourishes in the Vatican City’s St. Peter’s Basilica and Sistine Chapel. Culinary delights, from pasta to gelato, embody Italian passion. Modernity flourishes alongside ancient charm, exemplified by Piazza Navona and the Spanish Steps. The upcoming ENT Conference benefits from Rome’s academic and cultural wealth, offering professionals in the Ear, Nose, and Throat field a platform for collaboration amid the city’s dynamic ambiance. This merging of past and present captures Rome’s unique charm, offering a captivating journey through time and culture.
